**W**hat would it feel like to be the top bid at a charity auction? And, more to the point, what would it feel like when you found out you hadn't been bid for by some little old lady who wants you to clean out her garage but by three cock-hungry porn stars? The answers to these questions and more can be found on page 22 in a fiery fourway. Three more babes share a strap-on (what, no cock to bid on?) on page 42, and we've got stacks of real-life amateur sluts and nasty neighbors going gaga for guy goo. Female DJ's, tree surgeons, homemakers, secret porno freaks: If they're hot and horny, we've got 'em!

# MY SEXY SECRET!

## "SEE ME NAKED!"

I love to ride sport bikes, but not many people know that I often do it naked! I will go to a quiet place, strip my leathers off and rev the engine so I feel it throb against my pussy. The vibrations will soon get me

summing, soaking the seat and making it slippery. I always fantasize that someone is secretly watching me from behind the trees. Who knows, maybe they really are!

# CASEY PARKER

CASEY PARKER MIGHT BE GIRL-NEXT-DOOR CUTE, BUT THE FIRST SHANE'S WORLD EXCLUSIVE CONTRACT PERFORMER HAS A NASTY SIDE TOO. CHECK OUT ONE OF HER SCENES AND YOU'LL SEE WHY WE WANT TO PUT OUR PETER INTO PARKER...

Casey warms up for work on her winter break.

Tell us how you got involved in the adult industry.

I was going to college and I had a bunch of guy roommates and one day I got home from school and they had a *Shane's World* movie on and I really liked it, it seemed really cool. The girls were just like me, they were having a lot of fun and they were cute. Kind of as a joke one of my roommates took some semi-nude pictures of me and I sent them to *Shane's World*, just to see what would happen. A few days later they gave me a call and asked me if I wanted to do a girl/girl scene. At the time I was just getting into girls, but I'd never gone all the way, like, you know, all the way all the way! So I thought it would be cool. I went out to LA and we shot the scene and I fell in love with *Shane's World* and I guess they liked me, because they offered me a contract.

Were you nervous doing that first scene?

I was super nervous! It was kind of like *Elm Street*. I went out with two girls, and at the end I had to pick one and I picked Crissy Moran. There was a strapon involved and stuff, and I was nervous because of the camera, but once we got started, she was as hot and I was so into it that it was great.

If you weren't doing this, what

would be your fantasy job? Probably a touriam director, leading tours all over, because I like to travel.

Are you a voyeur?

If I'm watching people have sex, I'm gonna want to join in. I'm not gonna want to just watch, and that's it. If I'm gonna watch, I'm going to get in there, no matter what!

Do you enjoy adult movies?

Of course I do. I love Belladonna and Manuel Ferrara, of course. For girls, Ashlynn Brooke and Bree Olson, because they are very girl next door. And I love Paulina James. Mr. Pete is good, he's very vocal and I like that. I like it when a guy takes control and can be very upfront about what he wants. But he has to be able to give me a little control to be able to take control.

HEIGHT: 5' 2"  
WEIGHT: 105 lbs  
MEASUREMENTS: 32A-25-36  
BIRTHDAY: May 2  
HOMESTATE: Colorado

Do you have any favorite scenes from your movies?

I like the one with Manuel Ferrara in *Boy Crazy* and the one in *California Dreamin'* with me, Jack Venice and Paulina James on top of this cliff looking down at the ocean.

Who are your favorite people to work with?

Manuel Ferrara, but I really like working with everybody, because everyone brings something different to the table.

If you were casting your own movie, who would you want to be in it?

Jenna Haze, Belladonna, Manuel - anybody that's cute,

Casey gets some California creamin' from Charlie Dera.

Casey and Paulina James get cock on the rock from Jack Venice in *Shane's World's California Dreamin'*.

fun and natural. Anyone that's pretty normal.

Are you into girls off-camera?

Yeah. Actually, I took this girl home the other night, she was really cute and we had amazing sex. A little champagne and we got crazy. Yeah, you could say it's a regular part of my life!

How do people react when they find out that you're a porn star?

They love it! It's cool, because it gives them a chance to do stuff that they wouldn't do with regular girls. They feel comfortable, so I'm glad I can help them with that. Sometimes I bring it up if we start talking about what I do, it's not something I'm trying to hide. But I'm not like, "Hey, wanna come

home with me? I'm Casey Parker!" It's casual in the conversation.

Do guys get turned on by it?

They're scared sometimes. If I really like a guy I'll hold off a little, but I make it a rule that before we have sex they have to know.

Are any of these guys ever potential porn studs?

Yeah, there's been a couple. I had sex with this pro surfer the other day and he had a gigantic dick and he was great in bed. He was so hot, he was blonde and beautiful, he could be like the number one porn star. But he's a professional surfer, so I guess that's out of the question for him.

When you say gigantic, what

does that mean?

Like nine inches, it was really ridiculous.

What do you think normal guys are?

I don't know, five, six.

How often do you masturbate?

Like four times a day. I'm pretty busy, so I don't find all that much time to masturbate, or I'm having sex or something and I don't need to, but when I do it's

Casey shows her sex appeal to Mr. Pete in Shane's World's Winter Break.

kind of like a five-hour session, I'll have like 15 orgasms or something. I'll just lie in my bed, use like three different toys and just have 'me time' for a couple hours.

**Is it easy to make you cum?**  
Pretty easy. I cum a lot. When I'm doing a scene I'll cum at least three times, sometimes like eight. I'm pretty horny. It doesn't take too much to make me cum.

**What toy don't you leave home without?**  
My little pink leopard toy. It's small, so when it goes through X-rays it doesn't look like something that it's not.

**Are you typically quiet or loud during sex?**  
I'm pretty noisy.

**Are you a dirty talker?**  
No, but when I have sex I just can't keep quiet at all. Like, if I have sex at someone's house when their roommates are home, it always wakes them right up. Sucks, but that's just the way it is. I can't control my volume.

**What turns you on?**  
Surfer boys, confidence but

Something tells us this girl enjoys her work.

not cocky, pretty eyes... and rainbows!

**Do you have any turn-offs?**  
If a guy is all about himself and is not at all into going down on me or into me having an orgasm, that fucking pisses me off. If that's the case then I'll just go masturbate on my own.

**What's the most spontaneous sex you've ever had?**  
This guy that was my friend's friend, and he was really freaking hot. I thought he was

into my friend but my friend wasn't into him.

I would never have sex with someone that my friend was into, and she left to go get some milk, she wanted to have milk and cookies. I swear to god, and he just grabbed me, pushed me up against the wall and we started passionately kissing and we just had sex and by the time she was back with the milk, we were all done and dusted, cleaned up with our clothes on. She never knew about it.

**Do you prefer doing scenes with people who you've worked with before or do you like to test out the newbies?**

There are a couple guys that I love working with all the time and I'm comfortable with, but I also love trying out new guys. It's exciting, but I definitely have my go-to guys that I just love having sex with all the time.

**Any new guys you're looking forward to screwing?**  
I haven't looked at the sites lately. There was one guy,

Casey helps Paulina get the best of both worlds.

who's the guy who won Best Male Newcomer at the AVN Awards? Alan Stafford! We were booked for a blowjob scene, I was just supposed to give him head, and he was so hot, he was like talking to me, and I was so turned on that I ended up just having full sex with him.

**What's your favorite sex act?**  
Having sex doggie style while the guy is pulling my hair like a horse! I like to start in missionary so I can see what kind of sex you like to have, if you're wild or more of a lover, and then after I feel you out I know where to go after that.

**Do you enjoy group sex?**  
I've been doing threesomes, I've been branching out. I'm not really into group sex. I think there's too much going on. I think with three people it's more personal. The more people you add, the less personal it is. Maybe it would be fun on a particularly crazy night. I like making connections when I have sex, even if it's a one-night stand. I like to make that connection with that person and give myself entirely to that person for the time we have sex.

**Are you dominant or submissive?**  
A little bit of both. With girls I like to be a little more dominant, with guys I'm more submissive. Sometimes with guys I'm dominant. It depends on what mood I'm in. I go both ways, but mostly submissive.

**What is the perfect pussy like and who in the business has got one?**  
I like Devon's, it was the best. Very tasty.

**Tell us something about yourself that isn't common knowledge.**  
I used to be a professional surfer for a while.

**Do you like it soft and sensual or rough and hard?**  
Sometimes I like making love and sometimes I'm just horny and wanna get like an animal and tear each other's clothes off and have wild sex.

**How do fans get in touch with Casey Parker?**  
There's caseyparker.com and shaneworld.com. They can also write to me at P.O. Box 3014, Granada Hills, CA 91314. ♦

**LAND OF MILF  
AND HONEYS!**

Putting a bunch of hot MILFs like Shyla Stylez, Judy Star and Gina Ryder (who's also a MILF) at a charity auction is like putting the cat in the doghouse of the charity. Especially when they're bidding for a stud like Anthony. It doesn't matter what anyone else is thinking, they're going to get a good look at the MILF. Anthony thinks he's gonna be doing, he's gonna be booking them all.

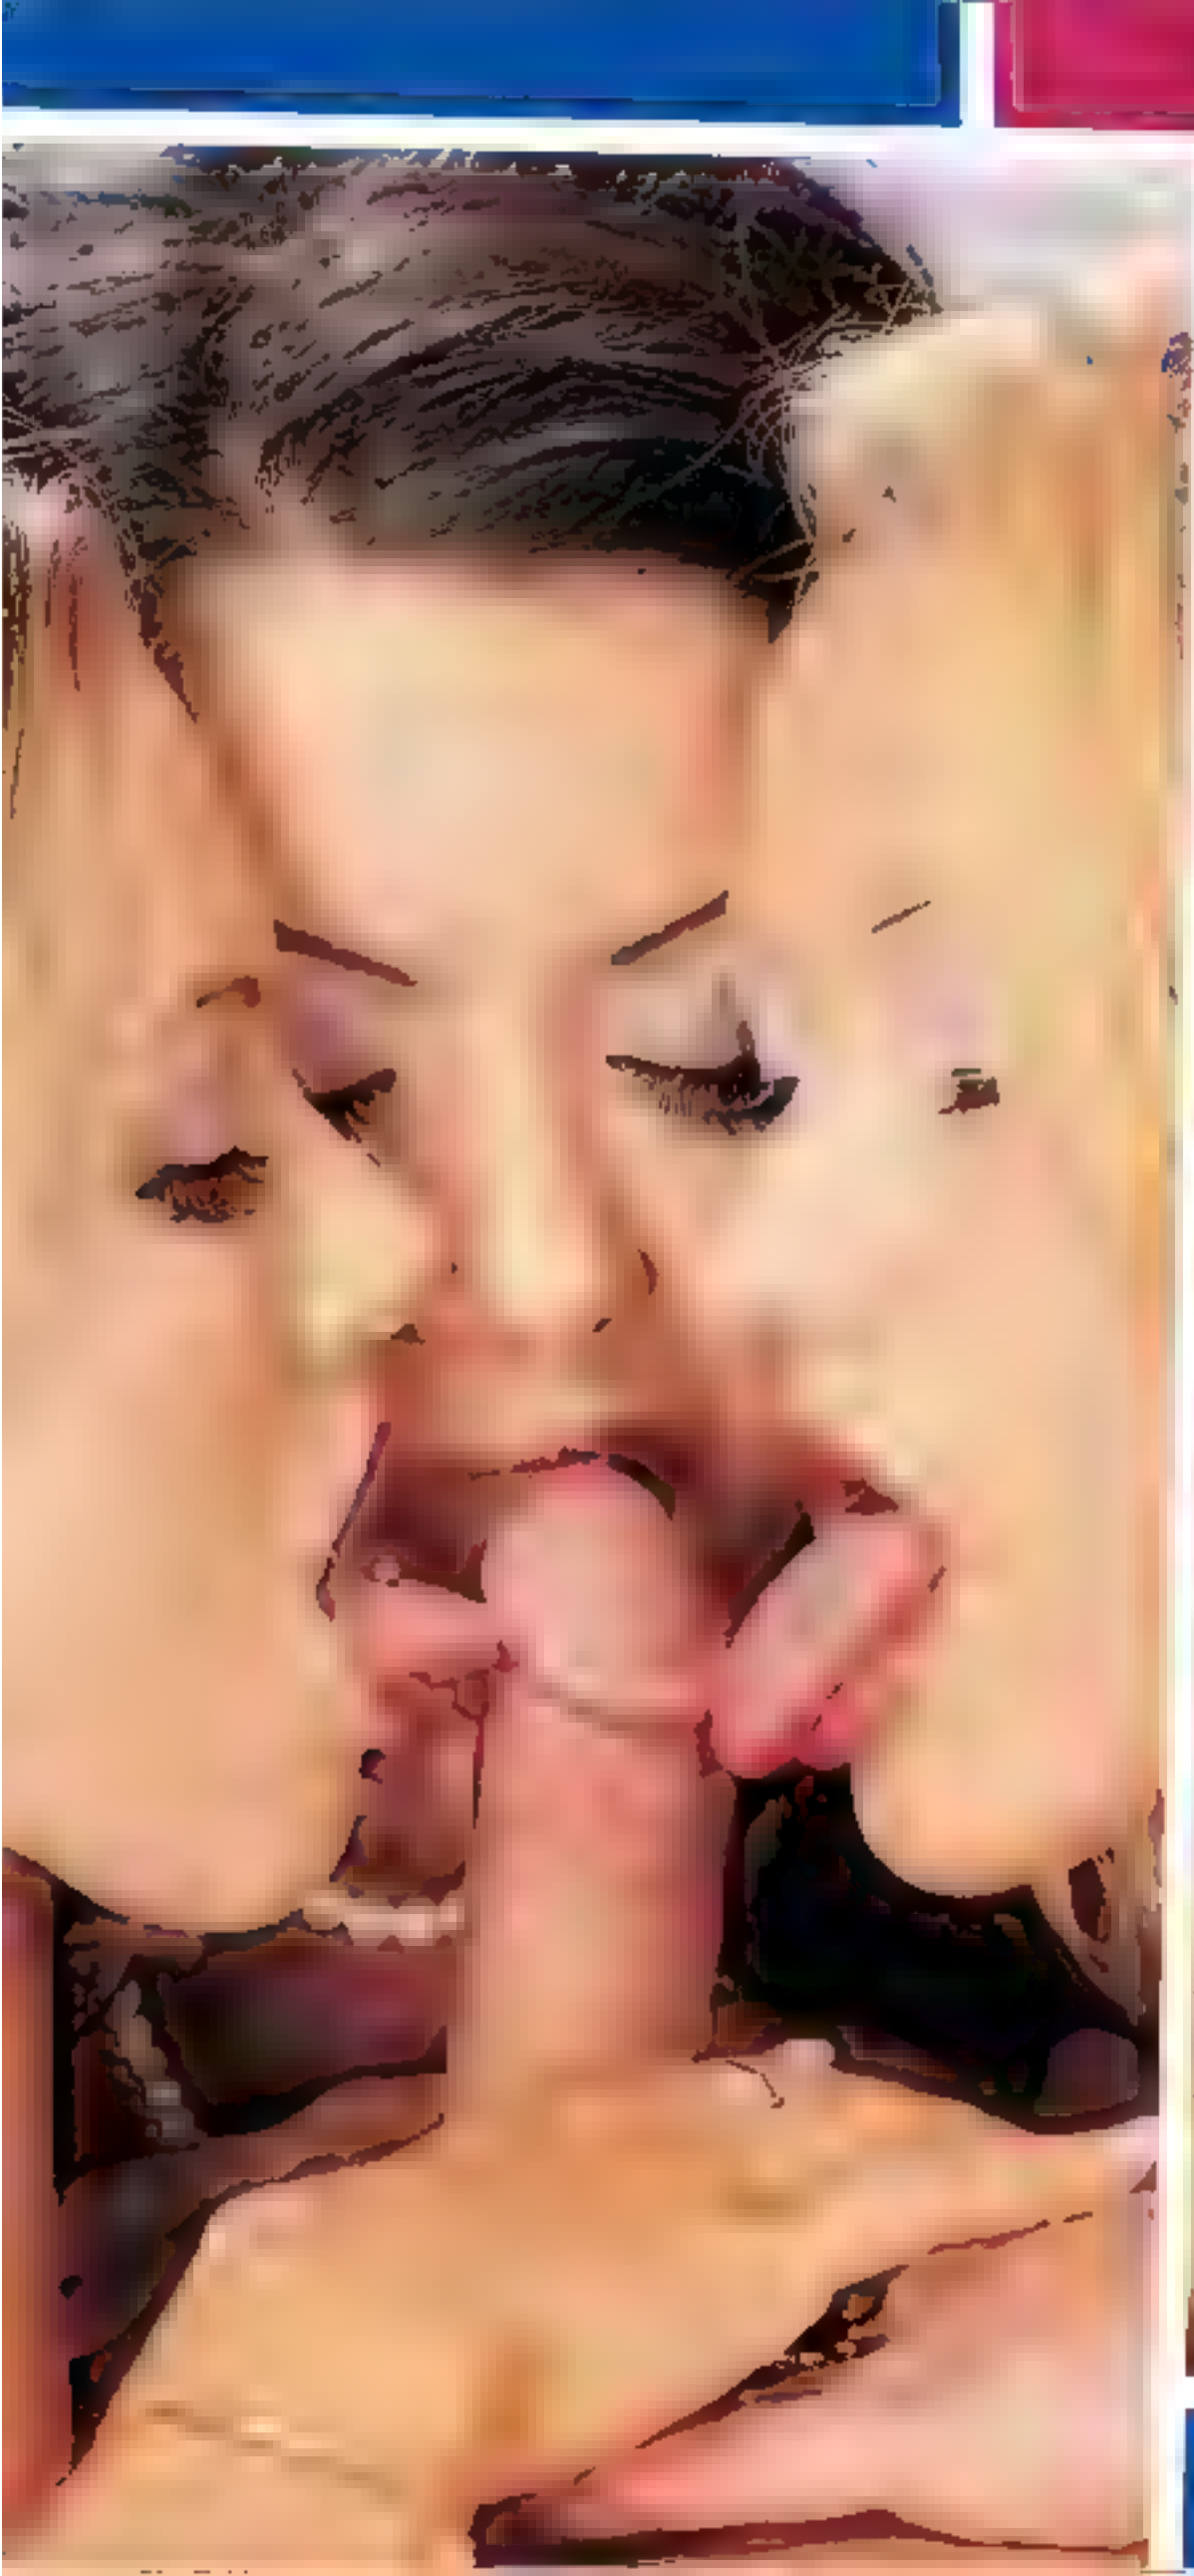

He's more than happy to let his wang do the work for charity, stirring the honey-pot of each MILF. Shyla proving the need for it by yanking his cock from her friend's cunt to suck it clean. That just makes the others get frisky too, and soon they're riding him like wildcats. He doesn't get to blast his load until he's gotten them all off several times, but these babes are so horny that doesn't take too much work. Then he gets to gaze them with his goons and watch them lick it off each other. Hey, it's all in a good cause.

THE HOTTEST IN HARDCORE ACTION REVIEWED BY OLLIE KRILL

The MILF phenomenon of the last few years has meant the average age of porn stars must surely be getting older. As much as we love the fresh-faced newbies, it's great to see veterans like Nikita Denzelle and Kylie Ireland showing 'em all how to fuck. Now we'd like them to show us how to fuck...

## LOVE FOR THE FIRST TIME

**STARRING:** Carmen Hart, Abbey Brooks, Lindsay Meadows, Ryder Skye, Barrett Blade, Mr. Marcus, Randy Spassie, T.J. Cummings  
**DIRECTED BY:** Michael Raven  
**AVAILABLE FROM:** Vivid Pictures

COUPLES ACTION / COMEDY PORN

Bob Smith is a virgin of a certain age, whose friends are determined to get him laid. Sound advice. We know what a shy, introverted dude he is, but hey, we got the stars with enough acting chops to get away with it. Randy Spassie is cast in this part, and he's perfect as the guy who needs to get him some pussy, even if we've seen him getting pussy a thousand times before. As a supporter of his friend, it's time to the. Carmen Hart is having similar problems, yeah, right, and he buddy Lindsay Meadows is to take her up on the proposal. Again, a splendid disability. The next action we see after the plot-setting is Arday Brooks sucking on Ryder Skye's rod. He plays it for yuks while she sucks, and there's nothing wrong with watching this blonde hottie eat dick.

Nothing wrong with watching Ryder Skye ride either. Her rack might not be 100 percent authentic, but the way she rights up to Mr. Marcus' impressive pipe certainly is. She looks petite on the end of his pecker, but grinds her pussy onto it relentlessly.

Lindsay Meadows then gets a turn on Barrett Blade's stubby chubby but it's a phoned-in scene to say the least. By now the movie is treading water, with a lot of these scenes based on Randy and Carmen's fantasies—just get to it, already. Carmen shares a fuck with T.J. Cummings and looks good doing so, thanks to a pair of knee-high black boots. It's funny how the little things like that keep your cock

ticking over. Finally the two leads get to lock horns, with Randy not looking too inexperienced. After all, wouldn't he lose his nose in about two seconds flat with a hottie like Carmen Hart going mouth first at his meat? Oh well, no one needs to see that, so Randy does a professional job to end this middle-of-the-road couples feature. **SUMMARY:** Condom-friendly couples fare

## SOUNDS OF OBSESSION

**STARRING:** Nikita Denzelle, Moxie Adams, Christan XXX, Evan Stone, Mike Stoker  
**DIRECTED BY:** Eli Cross  
**AVAILABLE FROM:** Vivid

COUPLES PORN / BIG NAME BABES

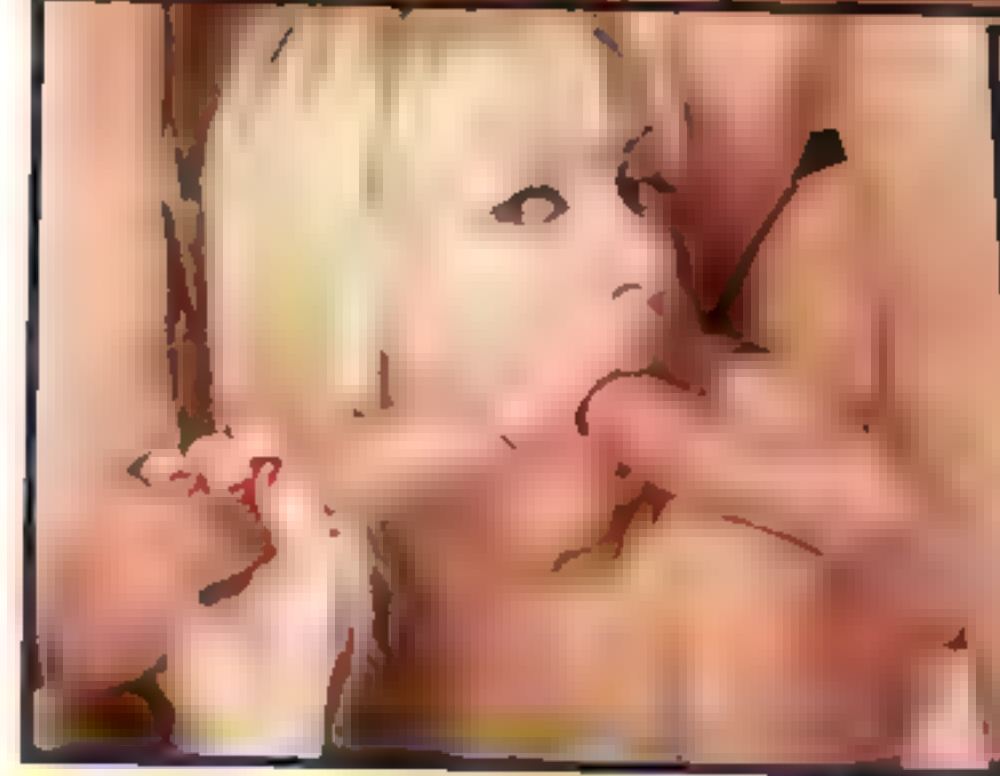

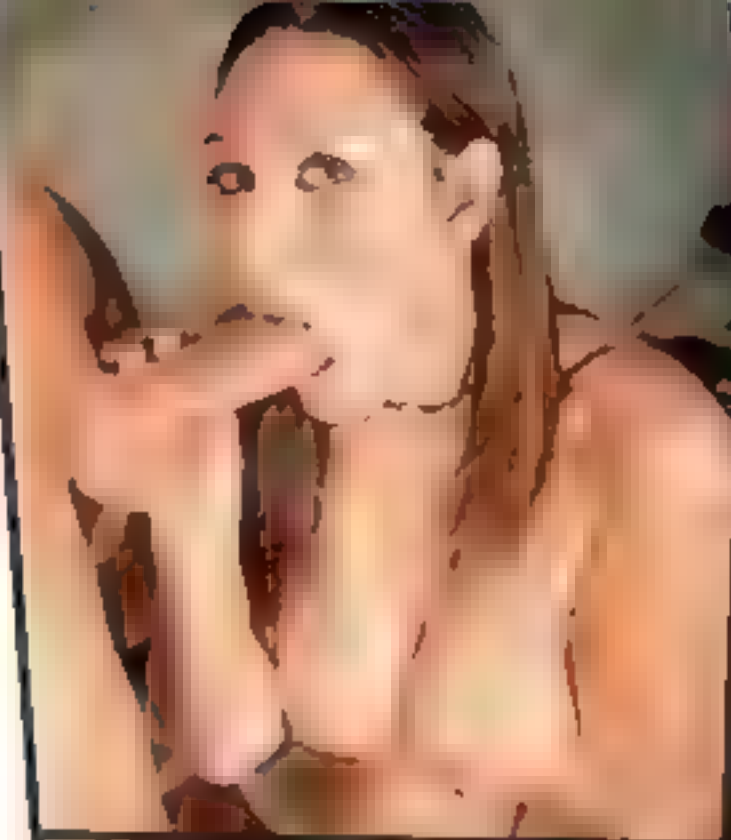

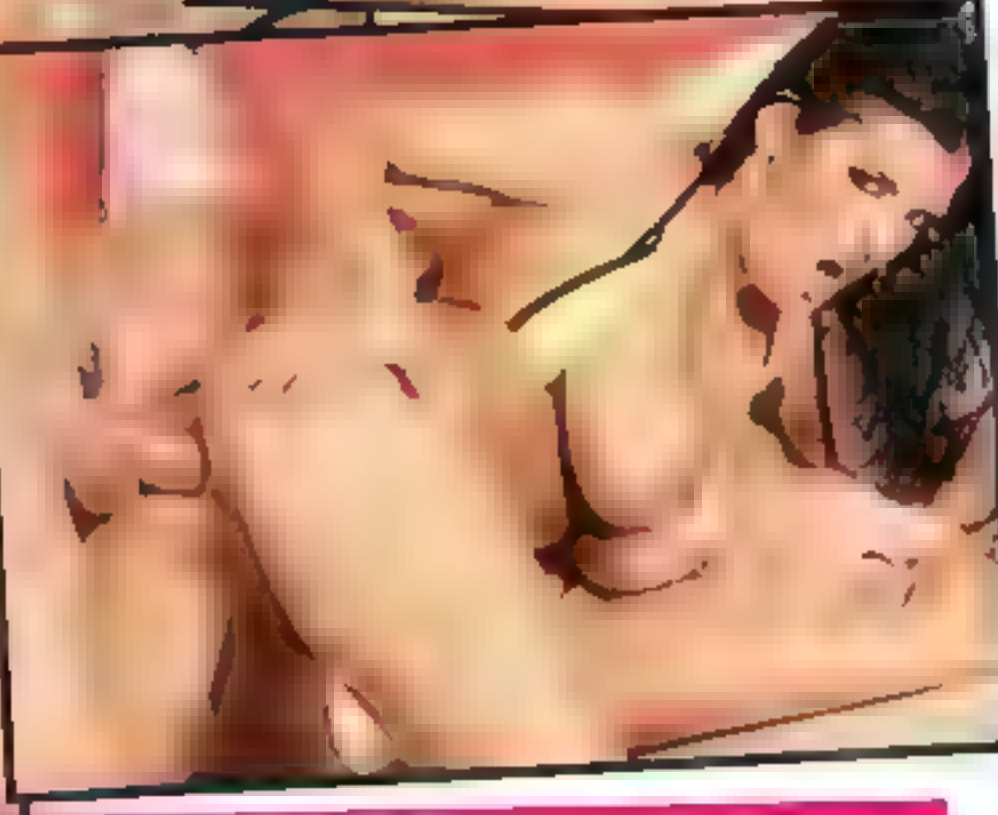

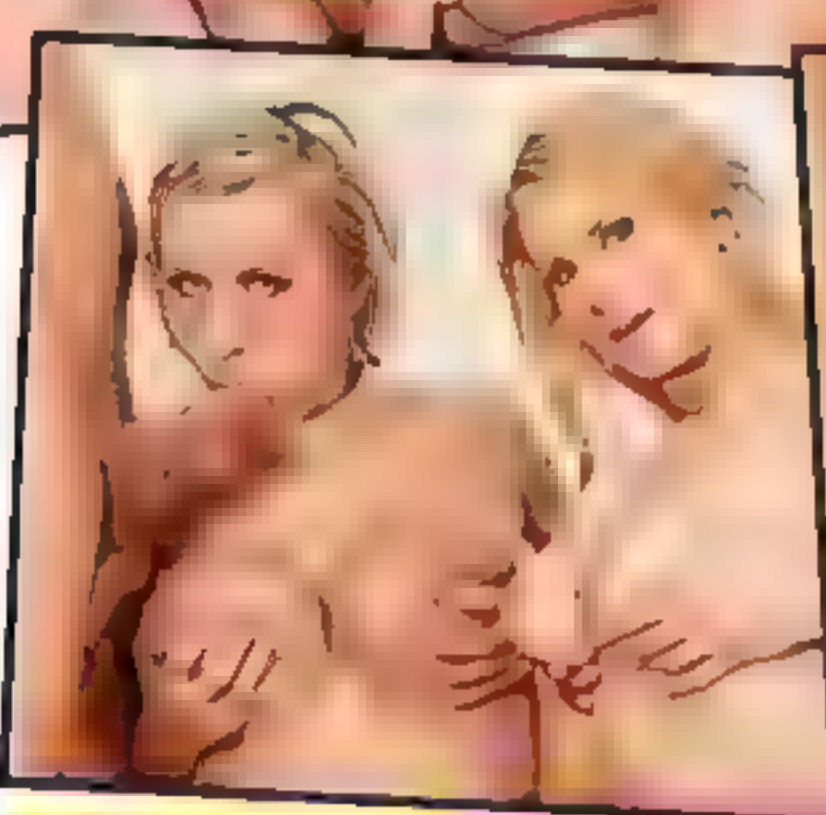

After a few years doing his porn apprenticeship with standard vignette movies and gonzo material, Eli Cross has hit the big time recently. The likes of *Corruption* and *Upload*, directed for SexZ Pictures, gained him kudos and awards aplenty, making him one of the hottest names behind the camera right now. This doesn't have the same kind of budget as

those big hitters, is more of a standard couples feature with a small, but high-profile cast. Sunrise Adams plays the frustrated wife of radio producer Evan Stone, who she suspects is having an affair with his co-worker Kylie Ireland, what with her being an ex-porn star who hosts a sexy phone-in show. Sunrise wants her own affair, and is hell-bent on getting it, in a movie a little darker than you might expect. Evan gets a taste of what he's missing in the opener, woken up by Sunrise with a hot blowjob. They switch to a 99, then do a standard hubby-and-wife hump complete with a rubber and pop shot to the chest. Sigh. Once Evan is at work, it's clear that Sunrise's suspicions are right as Evan nips into Kylie's cunt. Kylie isn't shy about loving anal action, so Evan pounds that pucker long and hard, Kylie sucking his

dick clean. Yeah, ripe and nasty right up until he dumps on her stomach. No, no, nooooo. Moxie Maddron is up next, cheating on her guy with Christian. He bones her on the couch, tapping up her butt too, and we finally get an ere-pop. Next up, the two big female stars go at each other in a fantasy sequence. Kylie looking more like the hardcore chick, with Sunrise slightly on the tame side—maybe she's mad that Kylie is getting her cock. She gets some more cock of her own in the finale, draining Mike Stoker of his juice in a rather limp scene, even if it's good to see her eating some protein. It's not Eli Cross' most thrilling movie, but he keeps the action ticking over until his next masterpiece. **SUMMARY:** In the end, it's standard couples fare with a few strange switches in tone. Still, Sunrise and Kylie both give good value for money.

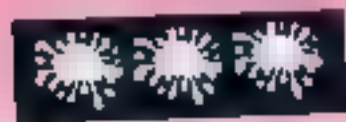

## FRESH JUGS 7

**STARRING:** Carolyn Reese, Cami Emanuelle, Stefania, Ana Hot, Tammy, Rachel, Sascha, Steve, David Perry, Choky Ice, Roly Reeves.  
**DIRECTED BY:** David Perry.  
**AVAILABLE FROM:** Zero Tolerance

### SCENE'S DIRTY NAME

Ah, more big tits to run the rule over. Well, Ana Hot's magnificent pair come up trumps here—she's not only got the finest rack in the movie, she's in the best scene too. It's just a shame it's the opener. She does some teasing nicely. If fitting lime green lingerie and talks dirty in broken

English before Choky Ice walks in, his eyes scooping her rack and lighting up instantly. He's tit-fucking her seconds later, switching to mouth-fucking for a few seconds before giving in to the temptation of those te-tas again. David Perry then joins in, and after more tit-fucking they both take turns in her pussy, then her ass. Eventually we get some raw Euro-DP rutting and they take turns to splash over her magnificent jugs. It can only go downhill from here.

Emanuelle does some more Euro English: "You want to see my tits? I show you"—and again has big naturals. They're not quite big enough for the boob-banging that follows, and although the sex is good, it's not as hot as Ana Hot. The third scene is a stinker. Overweight blonde Cami (great porn name, honestly) goes through the motions with an average stud leading

to the smallest load blasted in porn history. Seriously, it almost evaporates as it hits the air. Stefania's poolside scene with Roly Reeves is a bit better as she's actually cute and looks like she's interested in the cock.

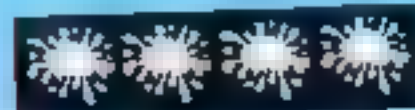

Things end well, however. US babe Carolyn Reese gets her rack oiled up and lets Sascha have his wicked way with it. It doesn't get too nasty, but watching a slutty blonde getting dicked is no hardship. Next up, Tammy and Rachel share David Perry's wang after some toy-stuffing lebo action. It's a bit disjointed, but he manages to throw in some better tit-fucking, a great double blowjob and then creams both sets of tits at once. This movie might sag in the middle, but it's up top where it counts.

**SUMMARY:** A great start and a decent end hide a few lame scenes.

## NATURALLY YOURS

**STARRING:** Adriana Nicole, Aliana Love, Camryn Kise, Carolyn Reese, Aiden Starr, Holly Morgan, Rocco Page, Jenner, Mick Blue, Steve Morris, Talon.  
**DIRECTED BY:** Sid Knox.  
**AVAILABLE FROM:** Diabolic

### NATURAL BOOBS / SEX VIGNETTES

When it comes to big old natural tits, fuck the plot and bring on the fucking. Diabolic know how to do raw in-your-face action as good as anyone, and they've lined up a nice bunch of newbies and sluts here to drain some balls. Including yours.

Adriana Nicole is always a naughty girl and here she looks good. After playing

with her pimp and totally shaved anus, she's presented with two nubile blondes to devour them before moving on down to her pussy. It doesn't take long for one of the studs to migrate to her inviting ass, and soon she's in a DP. Throw in lots of ass-to-mouth tit-fucking and two consecutive jets of cum hoisting her tits down, and you might be hard pushed to get past this scene without unloading the contents of your cock.

You get the chance to recover during the next scene, however, as Aliana Love isn't all that. She's cute enough, but while those tits might be natural, they're not actually all that nice. Her scene with Jenner is sex-by-numbers, so skip it. Camryn Kise is hotter (although a little cross-eyed) but cock du jour Jenner doesn't get all that much heat out of her. Stop again!

Carolyn Reese raises the temperature

again. She's a take-charge girl with green ties and a pleasantly naughty look in her eyes. Steve Morris likes what he sees and eats and finger's her pussy before offering her his ach'ing. She takes a taste and then bounces all over it with some of the ass-to-mouth sucking and tit-fucking to keep it as nasty as it gets without anal. And those tits look great dripping with ball broth.

Holly Morgan hooks up with Aiden Starr for another winner. They're second-tier babes, but that's what keeps the porn world turning. They slurp on Mick Blue's bone, then take turns getting dicked and spuzzed on. Last up is covergirl Rocco Page, who ends things on a high note thanks to her fine tits and anal-spooning from Talon. Does her rack get raised at the end? Naturally.

**SUMMARY:** A couple of weak scenes, but plenty of good strokage and some nice cheekboobs on display too.

## LESBIAN TRIANGLES II

**STARRING:** Sibette Desuzma, Lone Star, Emma  
**DIRECTED BY:** None predicted  
**AVAILABLE FROM:** Girlfrienda Film.

### LESBIAN AMATEURS / DYKE SWAPPING

My goodness, it was a chore watching this. I see what they're trying to do - make lesbian films for lesbians to enjoy. But does it have to be so dull? Set on a cruise ship, we see two couples fuck each other

in the slowest fashion possible - yes, we know it's more realistic, but we're trying to jerk off over here - before meeting up and swapping, with some sad acting thrown into the pot.

First we see Lone Star and Summer arrive in their room, ooh and aah about their ocean view and then get into bed. To give you some idea of the glacial progress, they start kissing at three minutes in, the first flash of as much as a nipple comes at the thirteen-minute mark. Eventually they get down to it, eat each other's pussy, share a strap-on and get a movie on will you? wrap it up around the fifty minute mark.

MLFs Sibette and Desuzma shake up the pace a little bit, but their champagne-

fueled scene isn't really any hotter, despite Desuzma's gigantic hooters. Yes, the sex isn't lesbian and they're both very attentive and - sorry - dropped off for a minute there. Some awkward dialogue and appealing acting contrives to get them to swap partners, so we see more endless flirting and paint-drying lesbianism. By the time we get to the three-hour mark, when it limps to an end, I'd lost the will to live. My penis had gone inside. Clearly, I'm not the target market - you're probably not either - but if this is real-life lesbianism, it should be banned and only porno lesbians should be allowed. There, I've said it.

**SUMMARY:** The perfect cure for insomnia: endless lame vegetarian scenes and abysmal acting.

## JACK'S BIG ASS SHOW 8

**STARRING:** Nikara, Mist Love, Adrianna Nicole, Teagan Presley, Alexis Texas, Chris Charming, Rico Strong, Tyler Wood, Scott Nails

**DIRECTED BY:** Robby D.

**AVAILABLE FROM:** Digital Playground.

### THE DIFFERENCE IS...

By now, you know what you're getting with Robby D and his various Jack series. Some humor, some hot babes, some great sex and, occasionally, some more annoying humor. Happily you can skip the latter and get straight to the humping, which stars Nikara, otherwise known as Aurora Jolie. Chris Charming enters with his big old cock and Nikara makes a meal

of it, although the titty-fucking had me thinking we were watching an installment of Jack's Big Tit Show for a second. Eventually Nikara gets her downstairs hoises oiled up and Chris takes a turn in each. We get some nice cowgirl anal before he coats her cheeks in cum. Solid opener.

That heat soon disappears in the second scene, due to a lack of chemistry between Mist Love and Rico Strong. Despite this, I'd still rest my beer on her bubble butt, no questions asked. Chris Charming's back for a turn in another chick's ass, this time slutty blonde Adrianna Nicole. Her ass could be groomed better, but it definitely takes dick well and she's full of energy as he pokes her pucker from a couple of different angles. He dumps his man-mountainizer on her buttocks, which might be just what she needs.

Teagan's the main attraction in most movies she's in, and this is no different.

She's paired with Tyler Wood, who plays a pizza delivery boy. Hey, can't get some eat a fresh deess with that? Teagan hasn't got a big enough butt to be in the kind of title without providing some aha! and she doesn't let us down. They eat each other first, then after some pussy poking he addresses her ass. She's never the most vigorous of butt sluts, but when it comes to watching a red hot girl get reamed, Teagan's your girl. One downside - a lame pop to her pussy at the scene's end. After what's gone before, that's your damp squib right there.

We know Alexis Texas isn't going to be drowning us in anal, but we also know her butt is awesome. So awesome, in fact, that Scott Nails can't hold back too long before he's painting her ass cheeks. We'd all gladly do that.

**SUMMARY:** Lots of big butts, lots of anal. Rest assured, you'll see your load to this one. ★

# THE SLUTTY PROFESSOR!

FIRST SHE WAS A LEGENDARY PORN STAR, THEN A DIRECTOR IN DEMAND. NOW, AS EMMA EDWARDS DISCOVERS, KYLIE IRELAND IS BRANCHING OUT WITH SLUTWERKZ, HER OWN COMPANY PACKED FULL OF DIRTY FEMALE DIRECTORS...

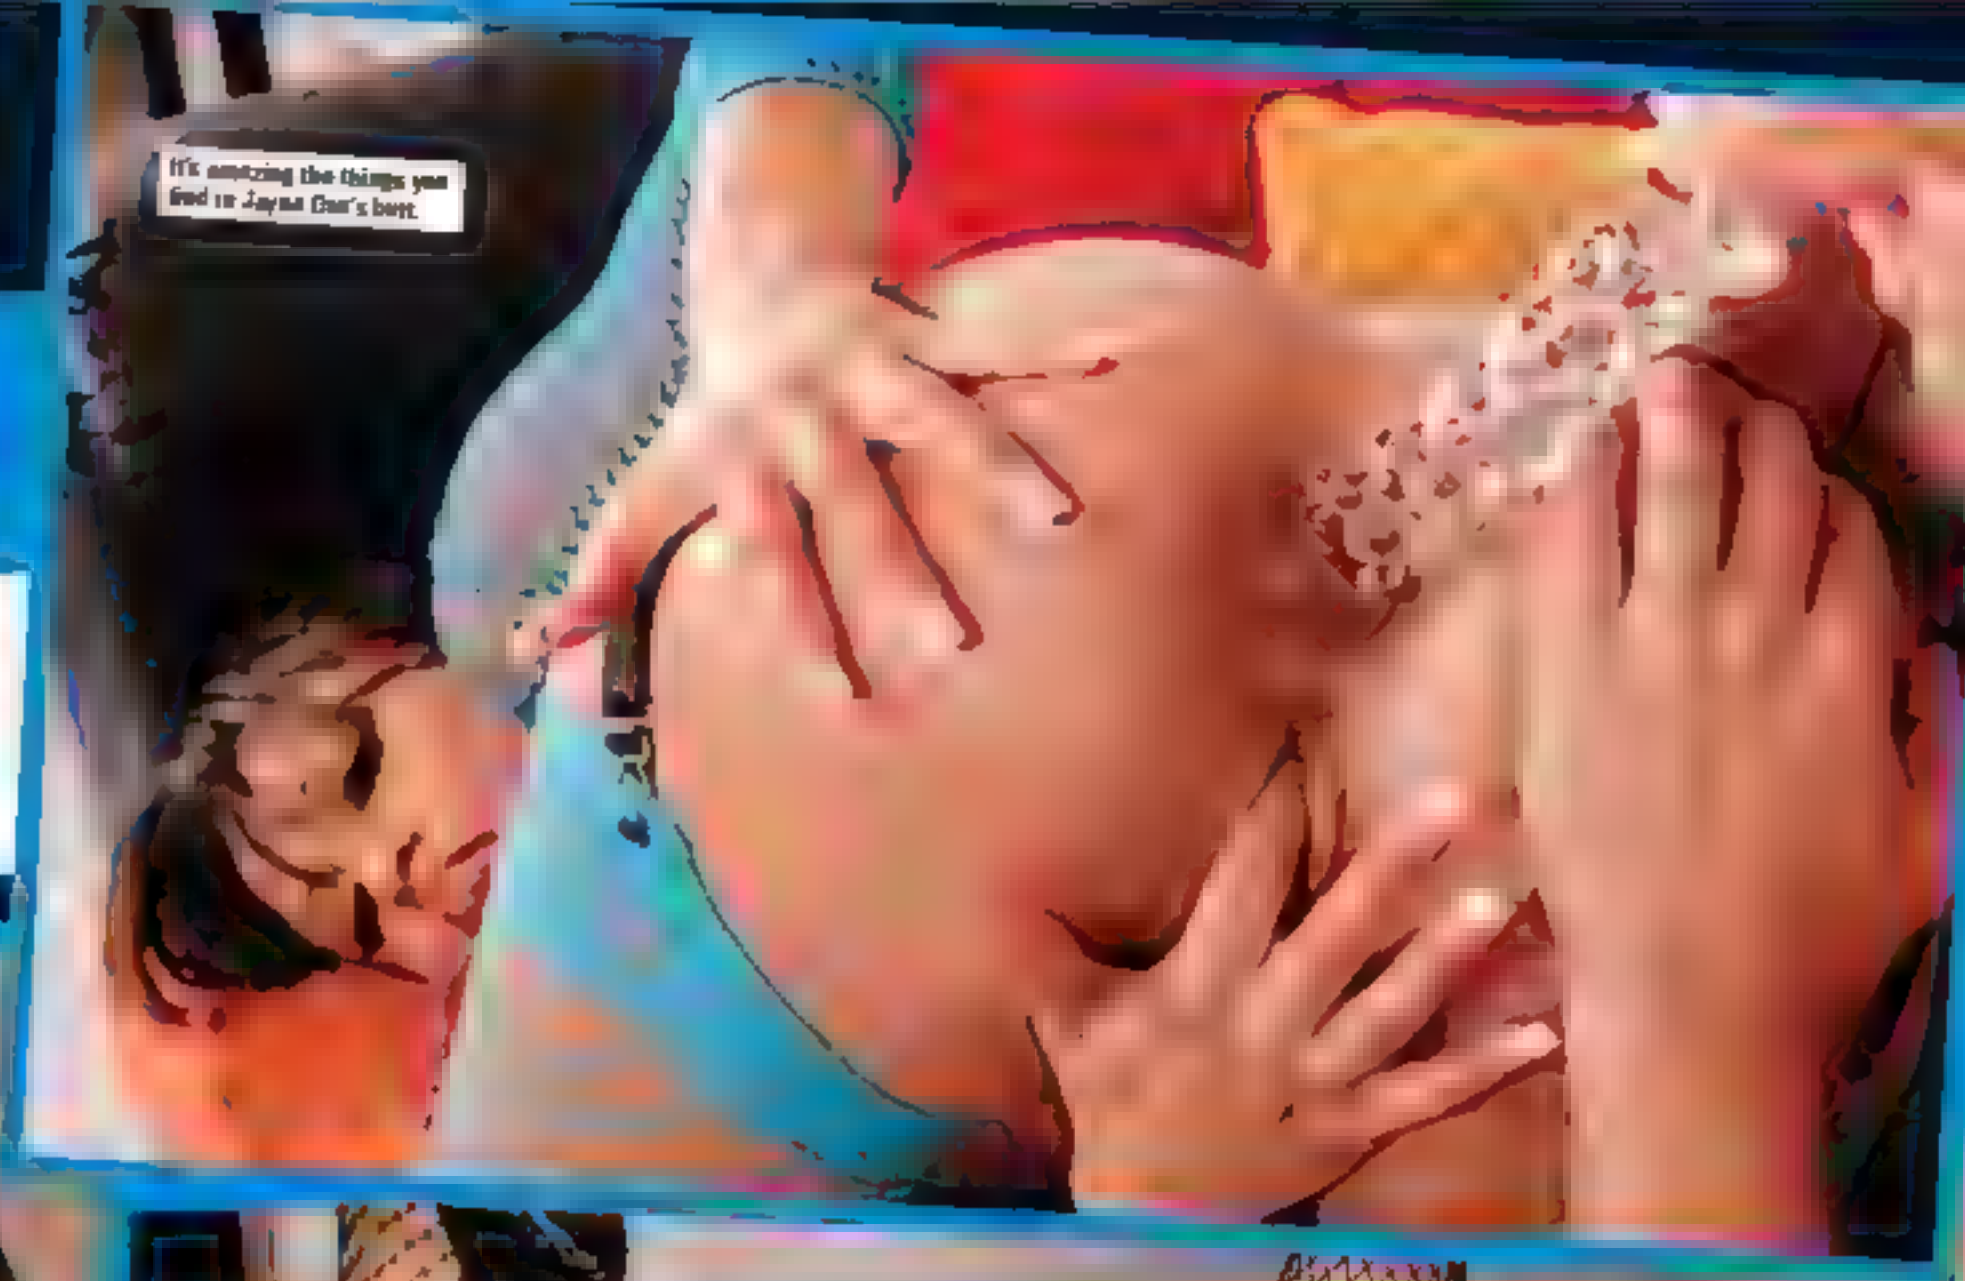

Director Kylie takes the hands on approach with Trinity Fox and Mark Davis in *Submitted For Your Approval*

From 1995 Best New Starlet of the Year to hardcore porn director, fan favorite Kylie Ireland has been going strong now for over a decade. After having performed in hundreds of scenes and drained us dry with directorial projects such as *The Whore Next Door* shot for Platinum X and *Twisted As Fuck*, a DVSEX unit, Kylie is changing gears once again. She has added the title of entrepreneur to her illustrious adult repertoire with her newest endeavor, a company perfectly dubbed SlutWerkz. Kylie is opening up

and letting us experience a new side of herself from the inside out. Get ready for a land where women call the shots and the sex is so hardcore it is given an additional X to get the point across. You are cordially invited to enter the land of SlutWerkz. Be warned! Kylie Ireland began directing hardcore porn several years back, producing top selling movies for many different companies. Although those experiences had their rewards, Kylie remained frustrated by working for male-owned

companies that had no problems promoting their male directors while treating their female counterparts like second class citizens. "I actually had people telling me to my face that women should not and could not direct porn despite the fact that I held the exclusive contract!" As a result she was eliminated from crucial director meetings and her directorial accomplishments were downplayed, to her dismay. This feisty Irish girl wasn't going to stand for this disparity any longer.

It's amazing the things you find in Jayna Star's butt

Tight is right for Ashley Blue and Alex Sanders in *To The Hilt*

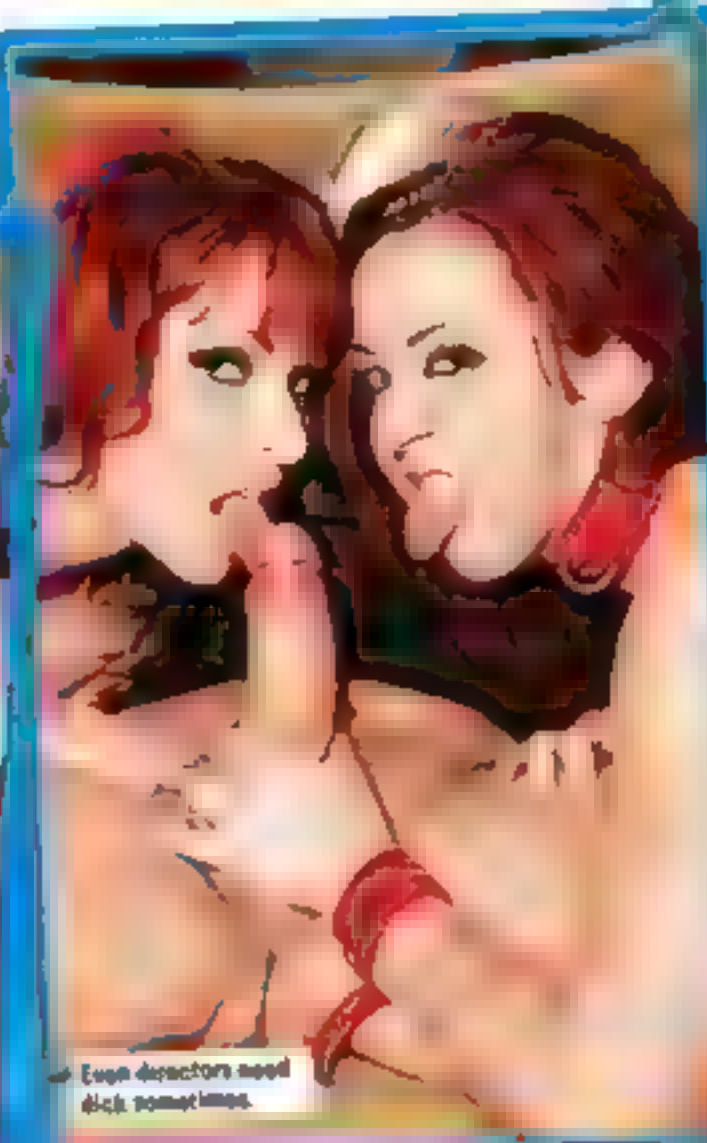

In the summer of 2006, and out of pure frustration, SlutWorld—a porn company featuring all female directors creating the most outrageously filthy porn product conceivable—was born. “In its roots it was an angry thing before the concept shifted into a highly sellable product,” Kylie explains. Understanding that perhaps there were other female performers who felt the same way, Kylie opened the doors and invited those ladies to help in her vision. Now, Kylie encourages all of her female directors to bring the runnermost fantasies to the table. At the time they masturbate to at home or though they were told they can’t do for other directors they can gladly bring to fruition for a company that places no limits on female sexuality. “The belief that women only want the porn soft and fluffy, with long storylines, is a condescending stereotype. I for one enjoy extremely hardcore sex!” Kylie insists.

This fact is demonstrated by the 10,000 square foot loft she lives in, where half of the space is a working sex dungeon, complete with chains, whips, leather sex chairs and a hanging cage (yes, I’ve been there). So with this more innovative sexuality, Kylie goes the extra mile for her new and inexperienced directors, teaching them the proper techniques for

directing by staying on set and offering up her very competent crew of movie making professionals. “It’s amazing to see these bright women blossom both

Kelly Wells wears more Wood from Brian Surwood.

Even directors need dick sometimes.

Ashley makes every movie film.

Alex Knight picks Jayne's partner in *The Hit*.

professionally and sexually before my eyes and yours!"

So who are some of SlutWerkz's top-notch directors? Well, this is the best part. Kimberly Kane is one of the directors, creating over-based scenarios that are so intense that Kylie herself can't even begin to describe the unusual kink that seems to run rampant through Kimberly's private mind. "That girl's ideas simply blow me away," Kylie remarks. Debbie Diamond, a legend in her own right, is slated to direct and hopefully star in a few scenes of her own. Katja Kassin, with her unbelievable ass, has put her "stink" on kinky anal-themed romps, while Ginger Lynn has a penchant for a things wet, including orgasms from water nozzles and a sticky surprise using milk. "The problem with Ginger, however, is that she has a hard time staying out of her scenes!" Kylie laughs, adding, "It's a problem when you are shooting your own personal fantasies to not be a part of them."

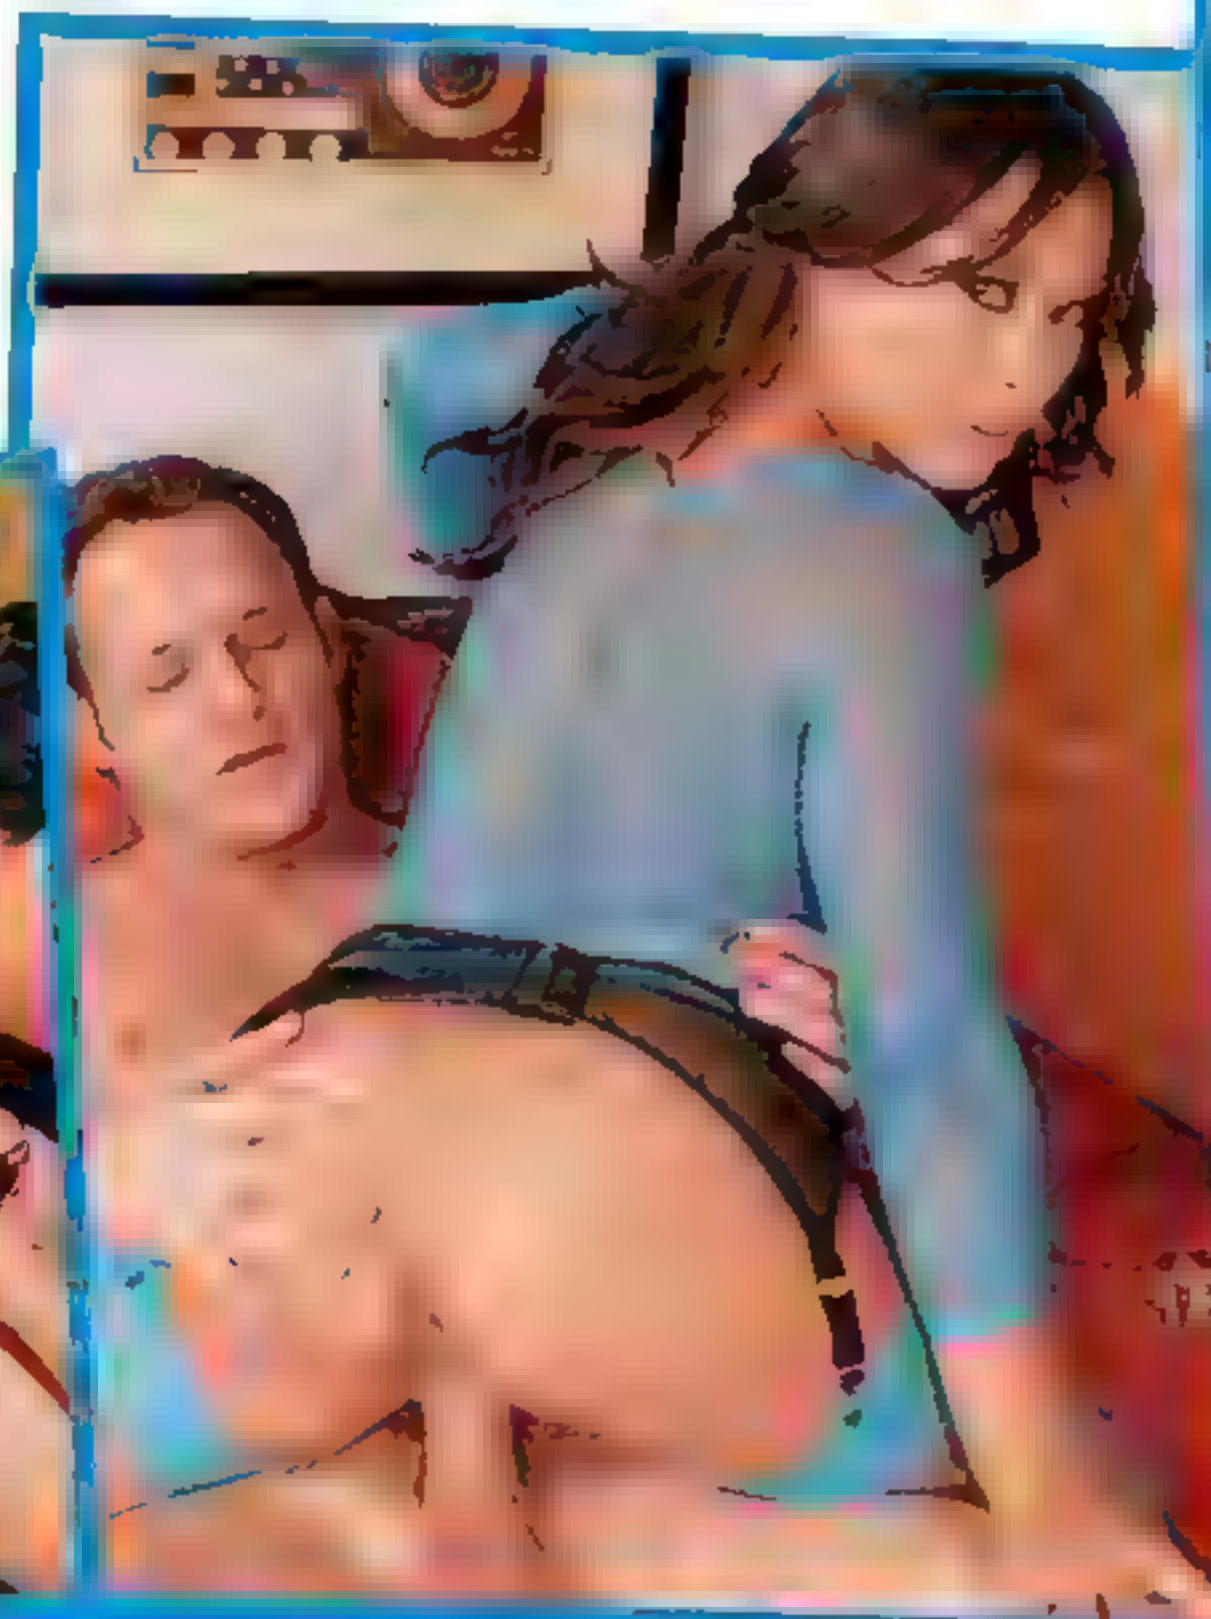

If those names aren't enough to excite you, how about the perversions of Julie Knight and her lust for play piercing, or more erotic delights from porn legend Tiffany Mynx? All of this is tame in comparison, though, to the perversions of Kylie herself. In a scene she shot with

Trinity Post and Mark Davis, Kylie stuffs Trinity into the trunk of her car and drives her to a secluded location where Mark and Kylie do very filthy things to her. That example is just the beginning and a mere scratch to the surface compared to what Kylie has in store for you next! Think parking lot, night sky and a stranger in the backseat of the car.

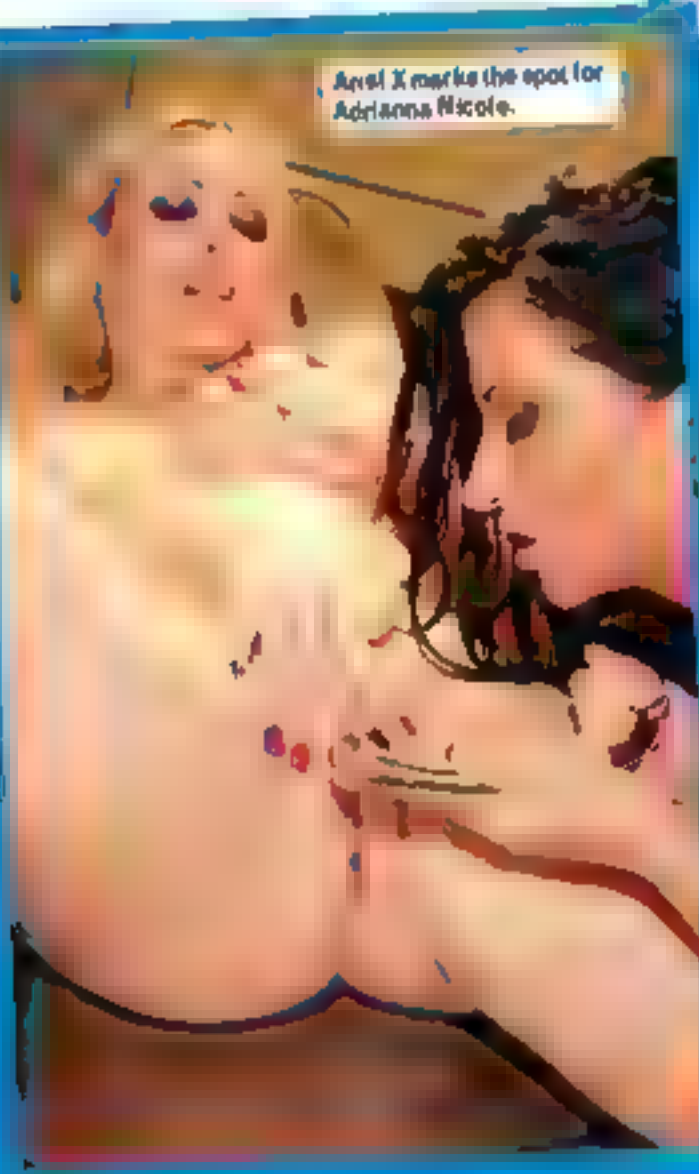

Your next question should be, how can I get my hands on SlutWerkz products? At this "glossy, quality, extremely sexy product," is available online in VOD format at [www.slutwerkz.com](http://www.slutwerkz.com). You can download individual scenes or an entire movie and create a DVD quality hard copy that's yours to keep. Inside the site, the scenes are categorized by their celebrity

directors so if you're a lifelong fan of Kylie Ireland, then you can see what's really going on in her dirty little mind by checking out her long list of erotic scenes. Also included on the site are trailers and pictures to tantalize you every step of the way, blogs, fan forums and behind-the-scenes clips of the lovely ladies in action. Kylie claims, "I also want to incorporate a live webcam. The problem is the logistics of taking it on location so maybe that will just be something we do in my loft!" Another benefit to membership of the site is the really raw XXXX that will be available. We're talking about stuff we really can't describe here.

What will be available on retail DVD will be a bit softer, without diminishing

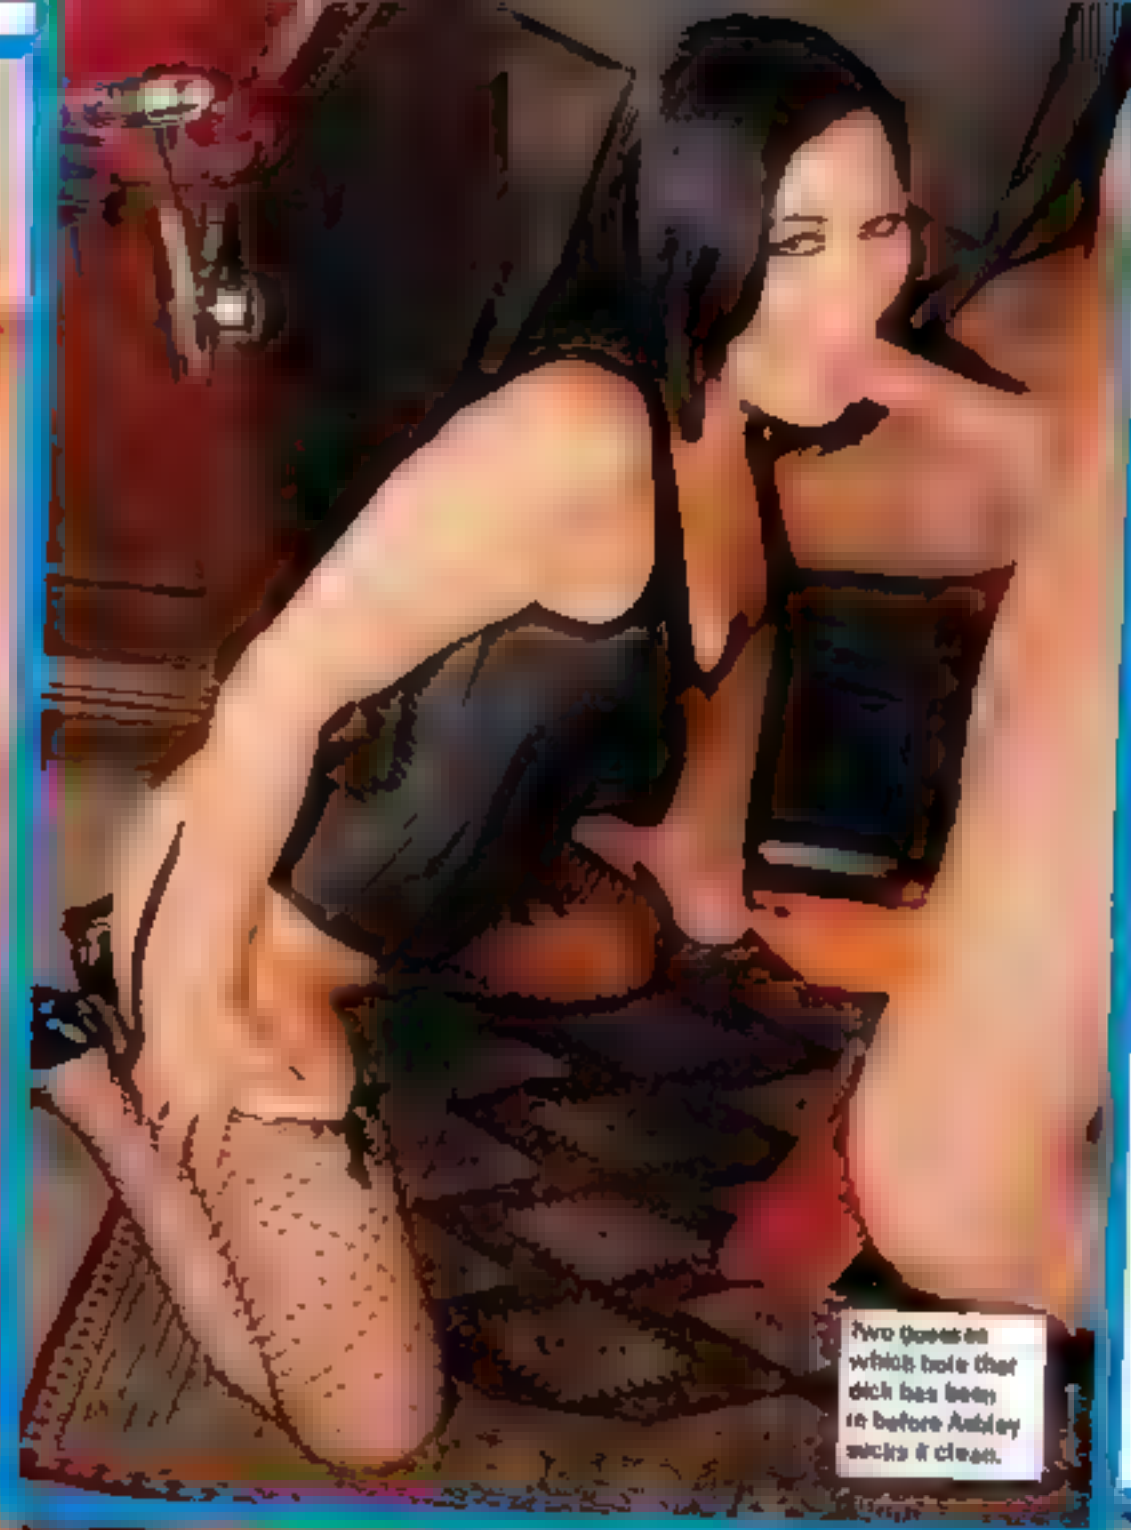

Anal X marks the spot for Adrianna Nicole.

Some girls are just so damn greedy.

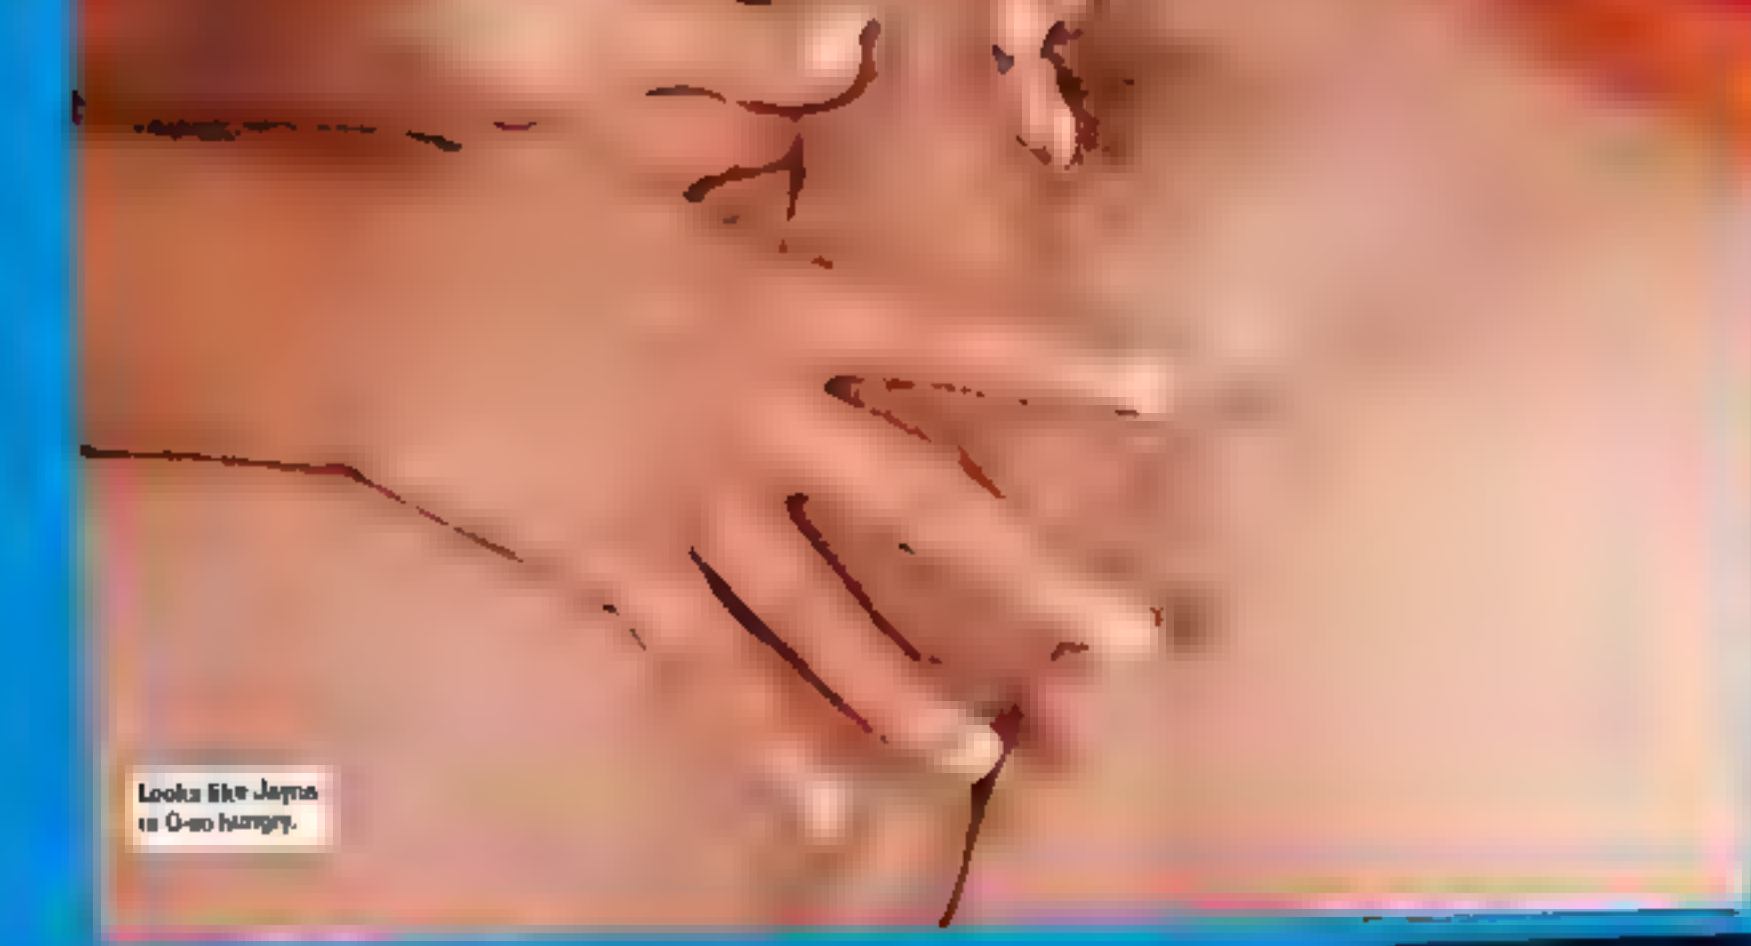

the hardcore heat that SlutWorlx is based around. Kylie still has every intention of pushing the envelope in regard to her DVD releases. "Rules say that you have to get a ted girl done before penetration. What fun is that? It has always been funny to me that distributors get to decide the rules for how I choose to perform sexual acts when it's my body, my movie and I'm directing!"

But for now, Kylie and her legion of dedicated directors will continue to make "hardcore gonzo a mad at men," one scene at a time. The beauty of creating scenes as opposed to whole movies is that it eliminates so much pressure for the directors and gives them ample time to create exactly the kind of scene they've been fantasizing about. "When they've got five scenes finished, they've got themselves a movie!" It's this creative mentality that will inevitably keep female performers lining up at Kylie's door to try their hand at bringing their personal desires to life.

As can be imagined, fans both male and female are chomping at the bit to see what's coming out of SlutWorlx next. Until then, expect to see scenes that are creative, nasty, fun and brought to life by some of the best and most revered names in porn. "We are definitely not producing cookie-cutter porn. That's for sure!" It's safe to assume that whoever coined the phrase, "girls are made of sugar and spice and everything nice" didn't have raunchy redhead Kylie in mind on their screen at the time. So what are you waiting for? It's time to tap into hardcore filth for men designed exclusively by very naughty women who just can't get enough! ☼

## HOLIDAY HUMPFEST

Usually, when I go home for the holidays, I hook up with my ex, Mark, for some friendly festive fucking. So I wasn't sure how he'd take it when I brought my new boyfriend home this time. But the guys were cool - we had a few beers together, then a threesome!

Jack's a voyeur. He loves watching porno, or just beating off while I walk around naked or play with myself. So the private sex show Mark and I gave him was like an extra gift! I moaned, played out as Mark's tongue and fingers found my hot spots. Then he slid his dick inside of me and started to bang me, leaving my bare tits to bounce freely.

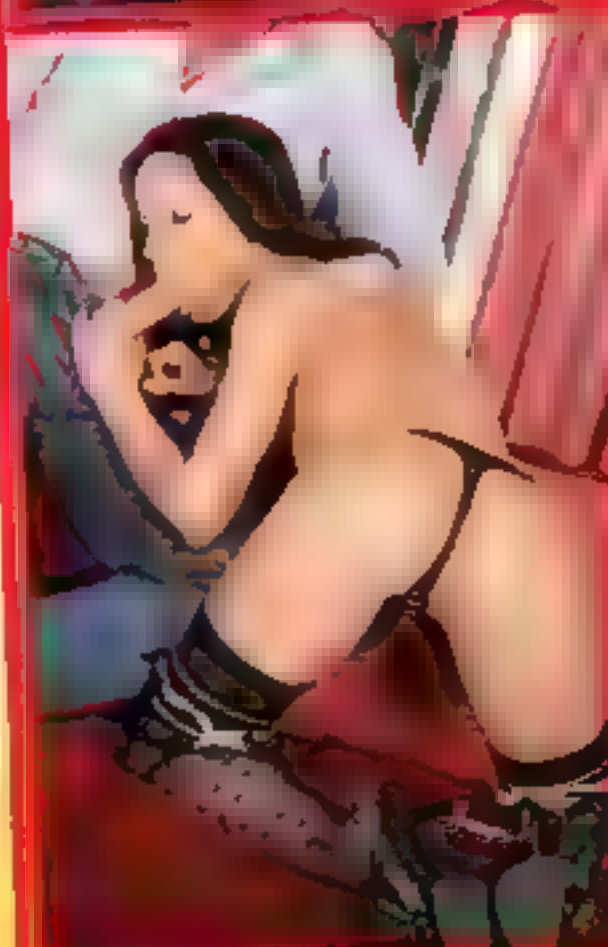

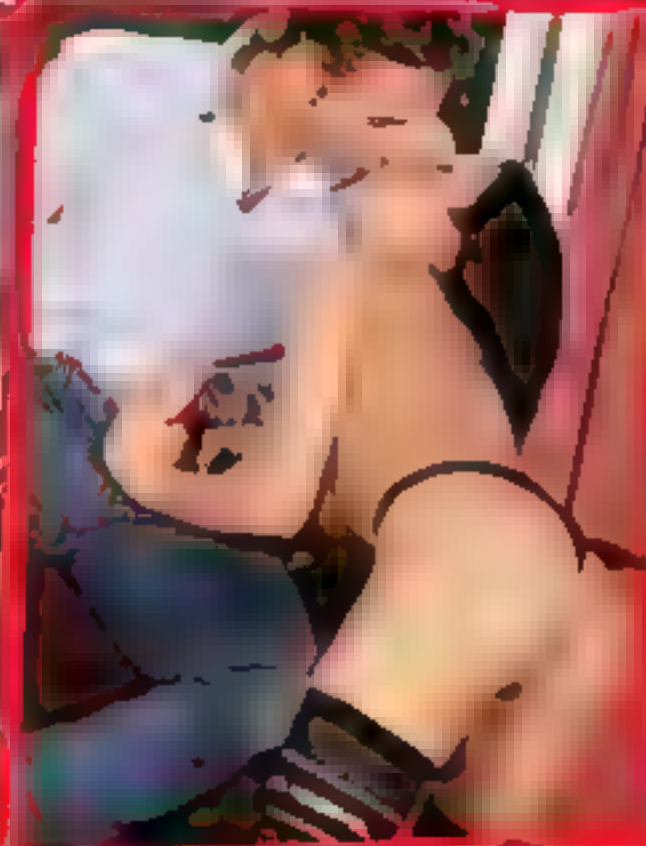

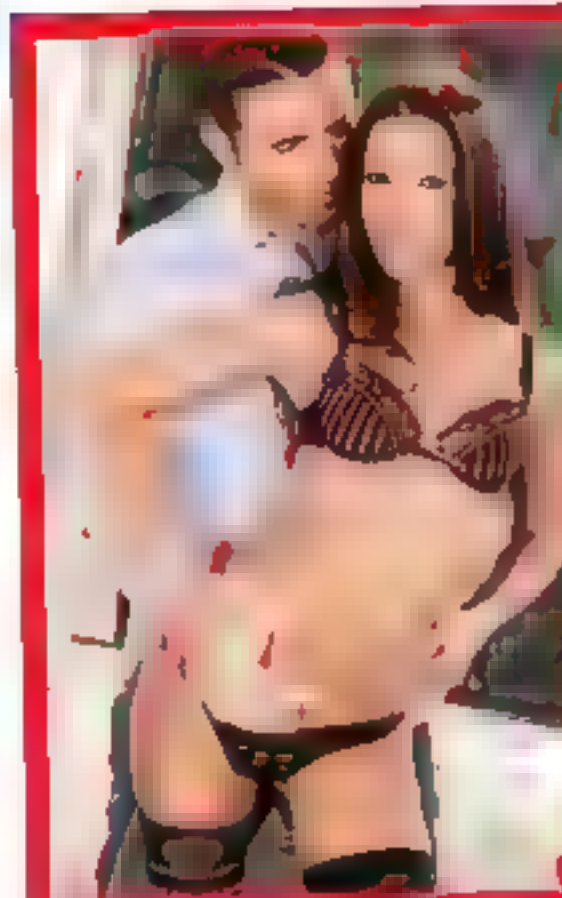

Jack beat off slowly, keeping himself hard but saving his cum for me. Mark slammed me hard, then came inside of me. I thought he'd pull out and spurge on my tits, but he filled my cunt instead. Then he crouched over me in a sixty-nine.

His cock, still hard and twitching, dangled over my face, so fucking tempting. But even the slightest suck as soon after he came would have sent him through the roof. So I let him do his thing, using his cum to lube up my asshole. I'd told him how Jack loves to butt-fuck me, and he was prepping me ready to take it high and hard.

"Roll over," he told me, so I got on all fours and he slid two fingers into my asshole, then pulled my cheeks wide open, tempting Jack. I braced myself. I knew Jack's boner would be like a steel pole as he got in behind. Then he slid it into me slow and steady, stretching my asshole around his helmet before penetrating me with his entire length.

Mark watched as Jack fucked me, we hung around back to see him thrust in, his balls touching up against my pussy as he sunk in deep. But he soon joined in the action, rubbing my clit as I squeezed my boyfriend's meat, then moving in front again, finally able to offer me a mouthful of cock.

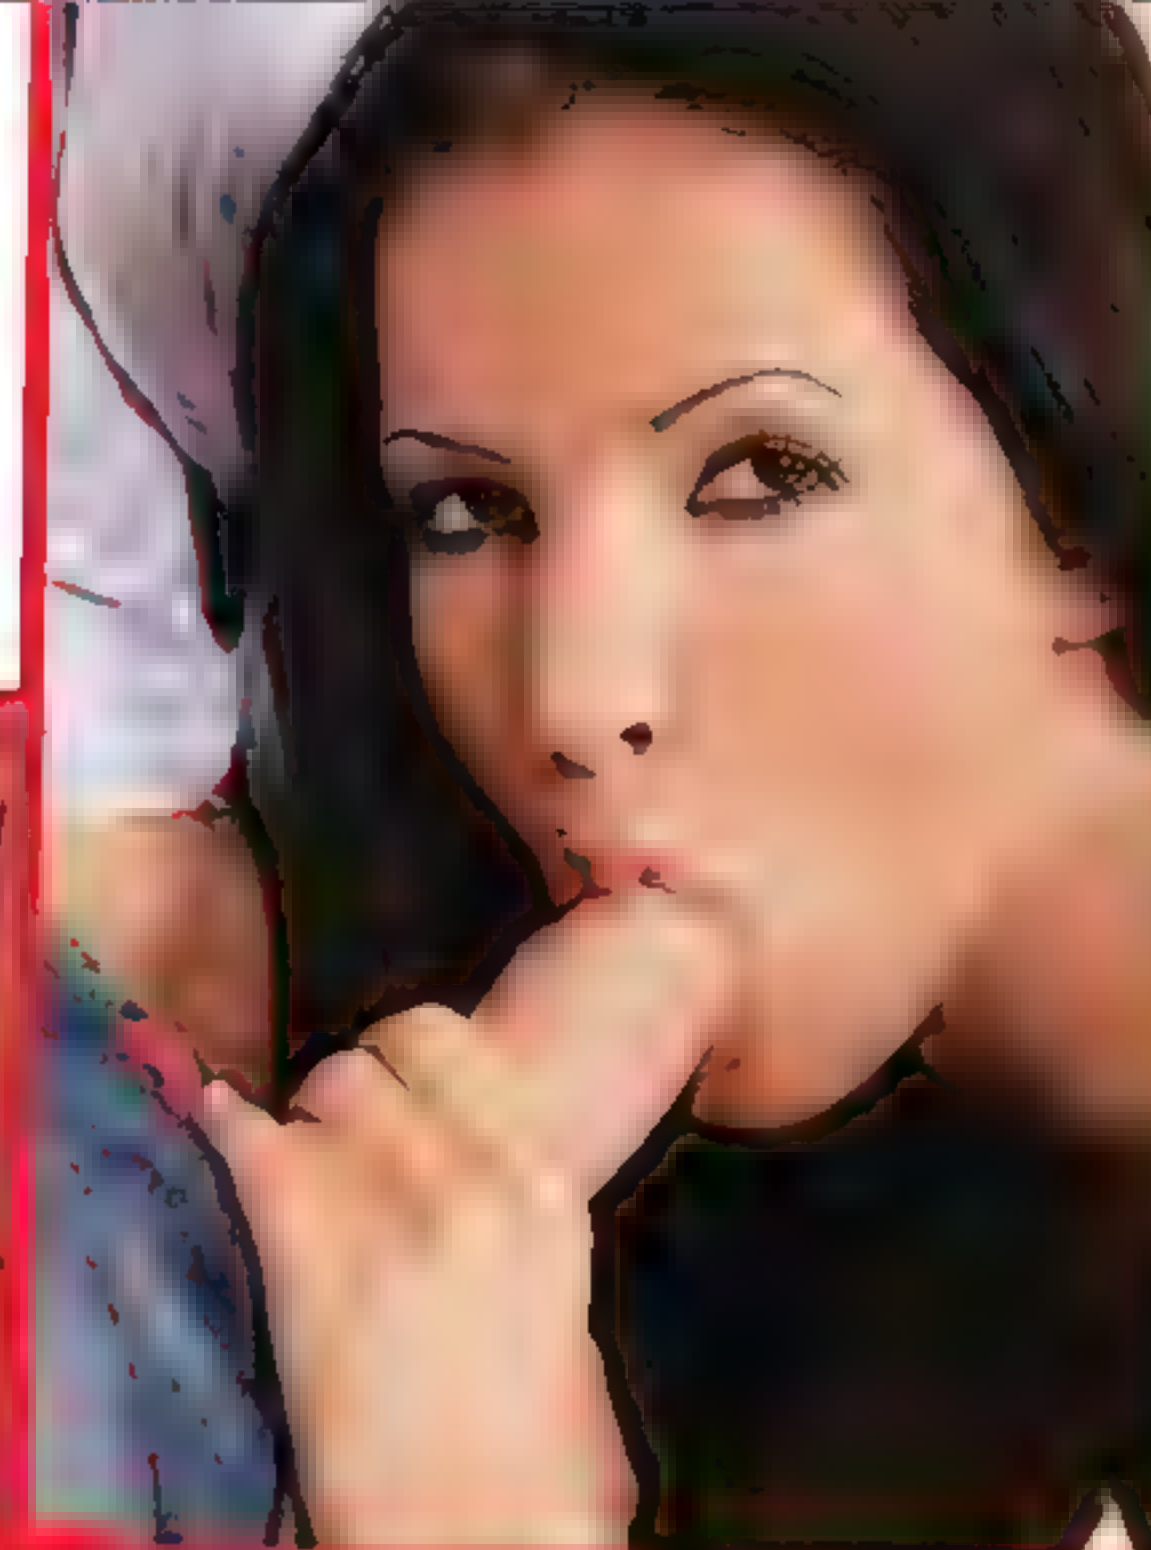

It was still wet, coated with my juices

and the spunk he'd shot inside me. I sucked him down, caressing his balls. The first time I ever blew Jack I'd deepthroated him - now he could see where I'd learned how.

I'd never felt so totally, thoroughly fucked. Mark's cockhead swelled in my mouth, the skin stretched tight, and Jack's huge, thrusting dick was satisfying my asshole. Sure, my snatch was empty but the afternoon, the warm wetness still seeping out and down over my clit, made up for that.

Every thrust of Jack's dick in my butt got me sucking even harder on Mark's. I knew the guy so well I realized a full minute before he came that he was close to the brink. His balls were tightening in my hand, his helmet jumping against my tongue and the roof of my mouth. I got a taste of salt and then he blew his load, big gobs of cum exploding out - too much to swallow so I let it dribble out onto my tits.

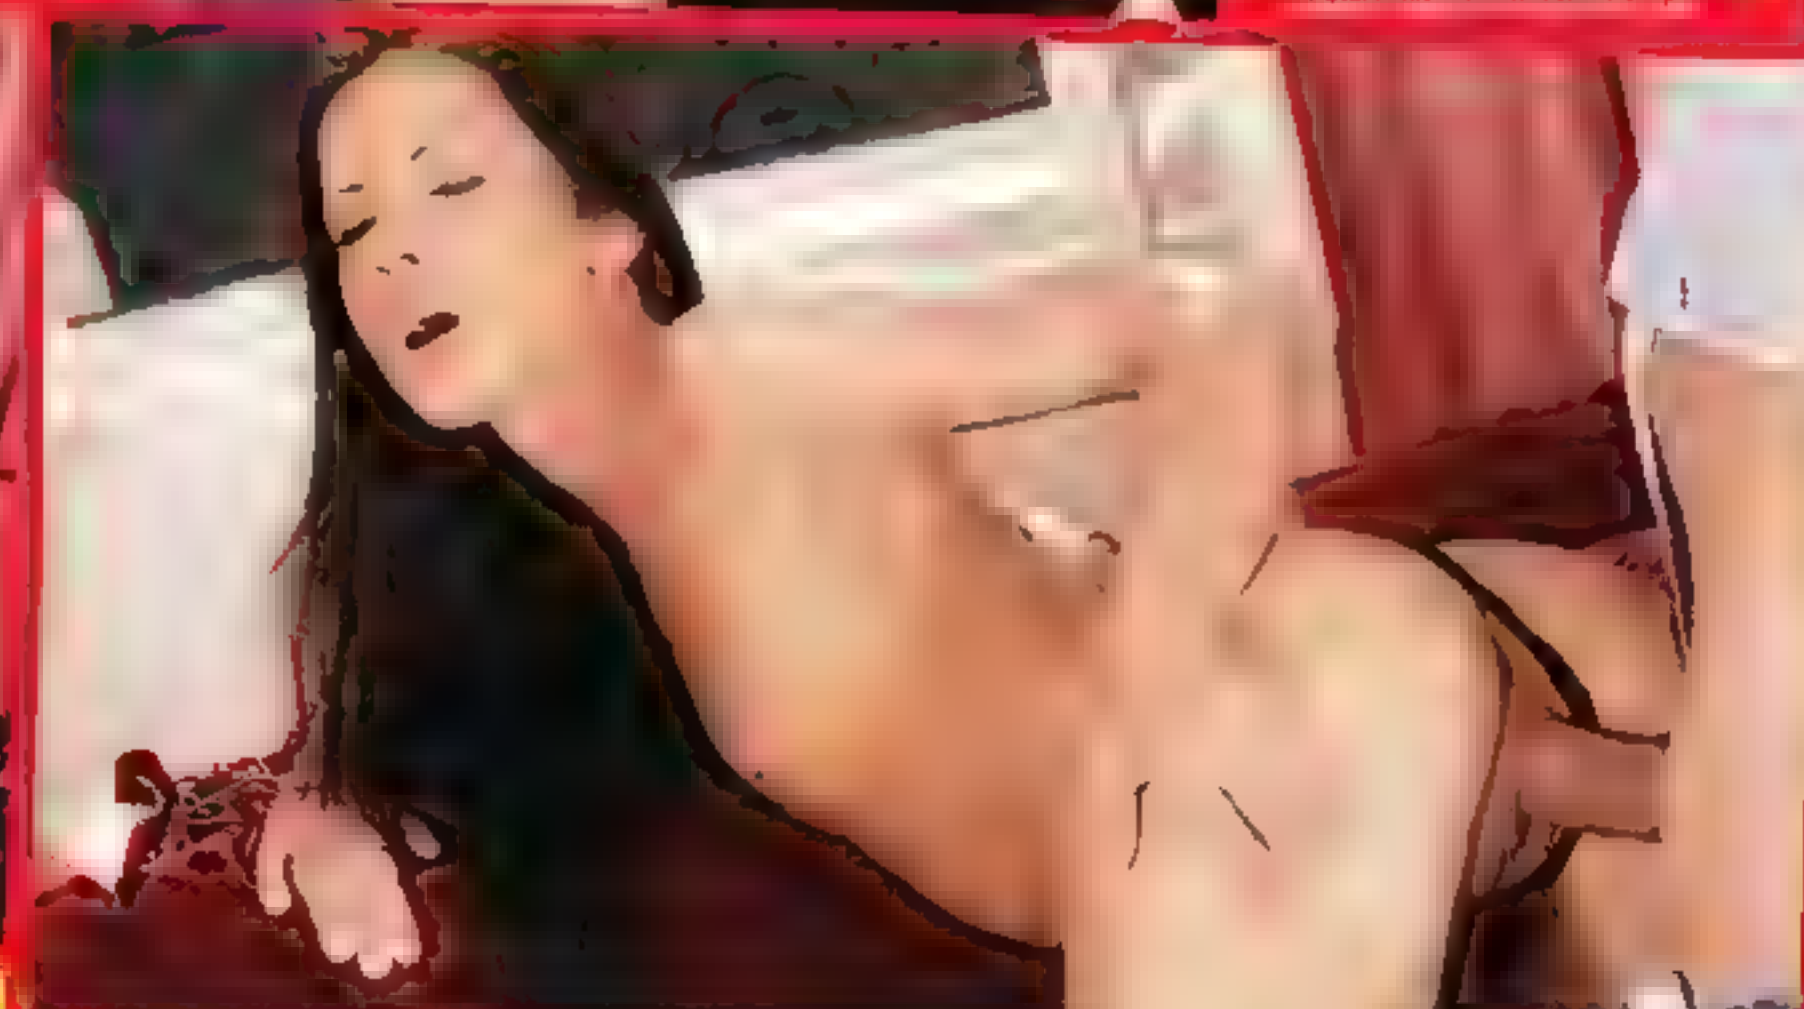

All I had to do then was turn around, look back over my shoulder and lick my creamy lips. That was the only trigger Jack needed. I felt his spunk flood out in waves, all around his cock and deep into my asshole.

With the guys out of the game for now, I gave myself another frig, Jack's cum oozing out of my ass as my crotch rippled with pleasure. I lay down on the bed, talking dirty to Mark, cupping his balls while Jack was in the bathroom. He told me he'd gotten jealous on hearing I'd found a new boyfriend, but he approved of Jack and didn't expect me to survive without cock.

## JANE & DAVID

David and I have been together for three years now. We met at a party and from the first moment we saw each other, we knew we were meant to be. We've been through a lot of ups and downs, but we've always come back to each other. We're a team, and we're proud of it. We've built a life together, and we're happy to share it with you. We hope you enjoy our story as much as we enjoyed writing it.

I said I needed it like other girls need oxygen, and proved it by sucking on Jack's dick as soon as he emerged. Soon Mark was balls-deep in my cunt, groping my tits as he spooned me. I'm not even sure whose hand found my clit and I didn't care.

all I knew was that it got me screaming and clamping tight around the dick at each end of me. Not for the first time that night, and sure as hell not for the last!

### DOUBLE SCORE

I'm the assistant to a wealthy businessman, and needless to say while the cat's away, I certainly play. This is exactly what happened last week when

he and his wife took an impromptu trip, leaving me in charge of their fortress. I immediately popped the top down on their sports car and went out on the prowl in search of fresh pussy to satisfy my insatiable appetite.

My travels led me to a hip hop club overflowing with horny hotties ready, willing and eager to latch on to men with money. Immediately I spotted the hottest redhead imaginable. She was swaying her bubble butt to the music, driving me crazy with her caramel-colored eyes. She kicked her hips and unbuttoned her blouse, giving me a glimpse of the gorgeous patch of freckles that covered her big natural tits. My cock went into high gear watching her run her hands over her tight stomach and

long legs while seductively lifting up her tight satin skirt to show me her smooth-shaven cunt.

"What's your name, darling," I whispered, nestling my lips against her ear when I spoke.

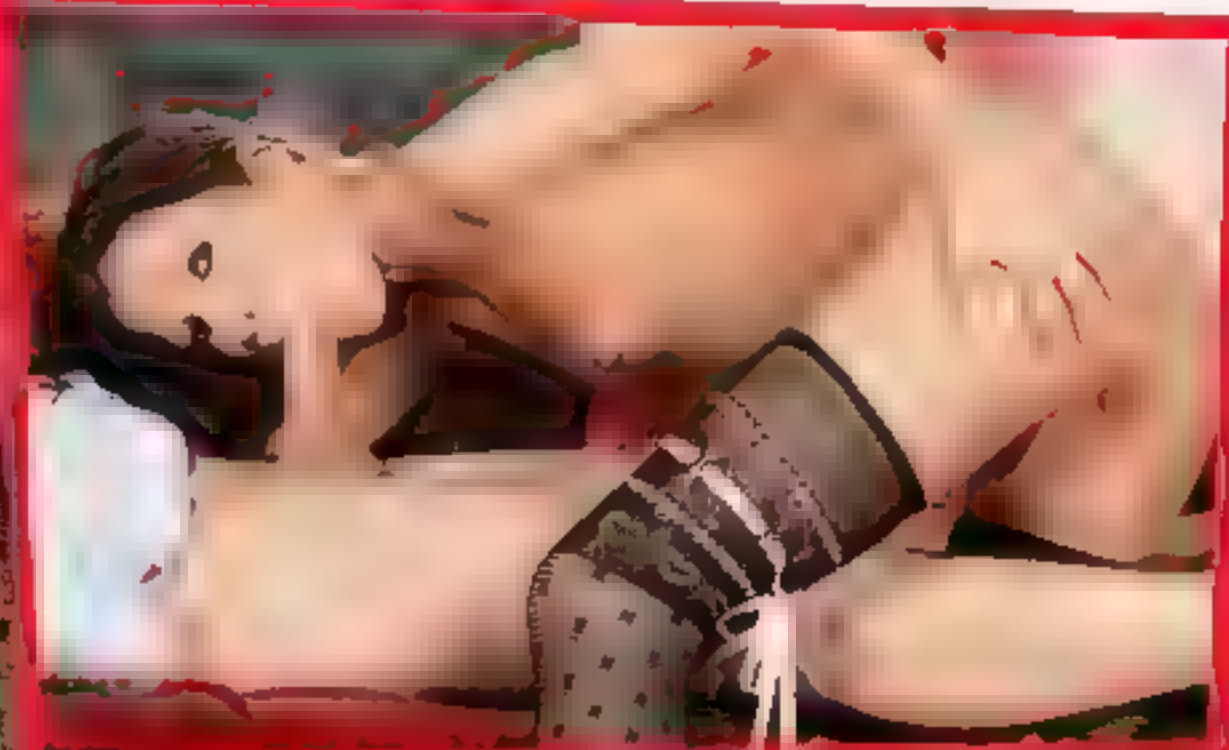

"Faye," she purred, grabbing onto my hips and grinding her greedy snatch right into my rock hard boner. "Let's get out of here," she urged, grabbing me by the tie and leading me out of the club like a dog on a leash.

The instant she sat in the car I saw a glossy trail of goosebumps up the leather seats. I knew I had this babe signed, sealed and delivered! It didn't take long before Faye had my pants down and was slurping up mouthfuls of my cock and balls as I barreled down the highway.

**It didn't take long before Faye had my pants down and was slurping up mouthfuls of my cock as I drove down the highway...**

Soon she was riding my lap in cowgirl, sliding her drenched beaver over my prick and sticking her tongue down my throat.

When we arrived at the house she went straight to the couch, happily accepting my tongue inside her asshole. I spat a wad of saliva into her freckled bunghole and another across the head of my cock and pushed it inside. Like magnets magnet my cock connected with minimal effort. "Baby,

that's one elastic asshole," I groaned, holding her arms above her head and urging her to wrap her legs around my waist. I lifted her up and fucked the hell out of her asshole.

Suddenly the door swung open, and heard a gasp: "What the fuck is this?" It was my boss' wife, Lindsay! I was scared for my job, but not scared enough to stop fucking Faye's fanny.

"Well, she is a hot piece of ass," said the mistress of the house, examining Faye's perfect body and flushed, freckled face. To my surprise she tore off Faye's shirt and began to round her mouth over Faye's extraordinarily puffy nipples, sucking hard until she moaned with pleasure.

When she was finished there she spun around and started grinding her fuck hole into Faye's mouth until it dripped with cream. It was at that moment I knew I wanted a piece of Lindsay's ass as well. "Get over here and let me earn my medical benefits," I growled, grabbing Lindsay and having her lick my cock as it continued to pound in and out of Faye's.

Knowing that my boss was into the groove, I picked her up and stacked her on top of Faye like pancakes and took turns slamming my cock into Faye's asshole and Lindsay's pussy. My cock was so fucking hard, continuing to swell as it thrust inside each of them.

Lindsay and Faye eventually climbed down and grabbed onto my meat in unison to deliver the ultimate blow and stroke session. It had my sword ticking Faye's tonsils and my balls rounding out Lindsay's cheeks. After several minutes of erotic bliss and two fatfuls of hair,

knew I was about to cum, I pulled my dick out and splattered my load across Faye's nipples and watched Lindsay lick up every last drop. Instead of losing my job, I got one half of a raise.

## BANG FOR THE BUCK

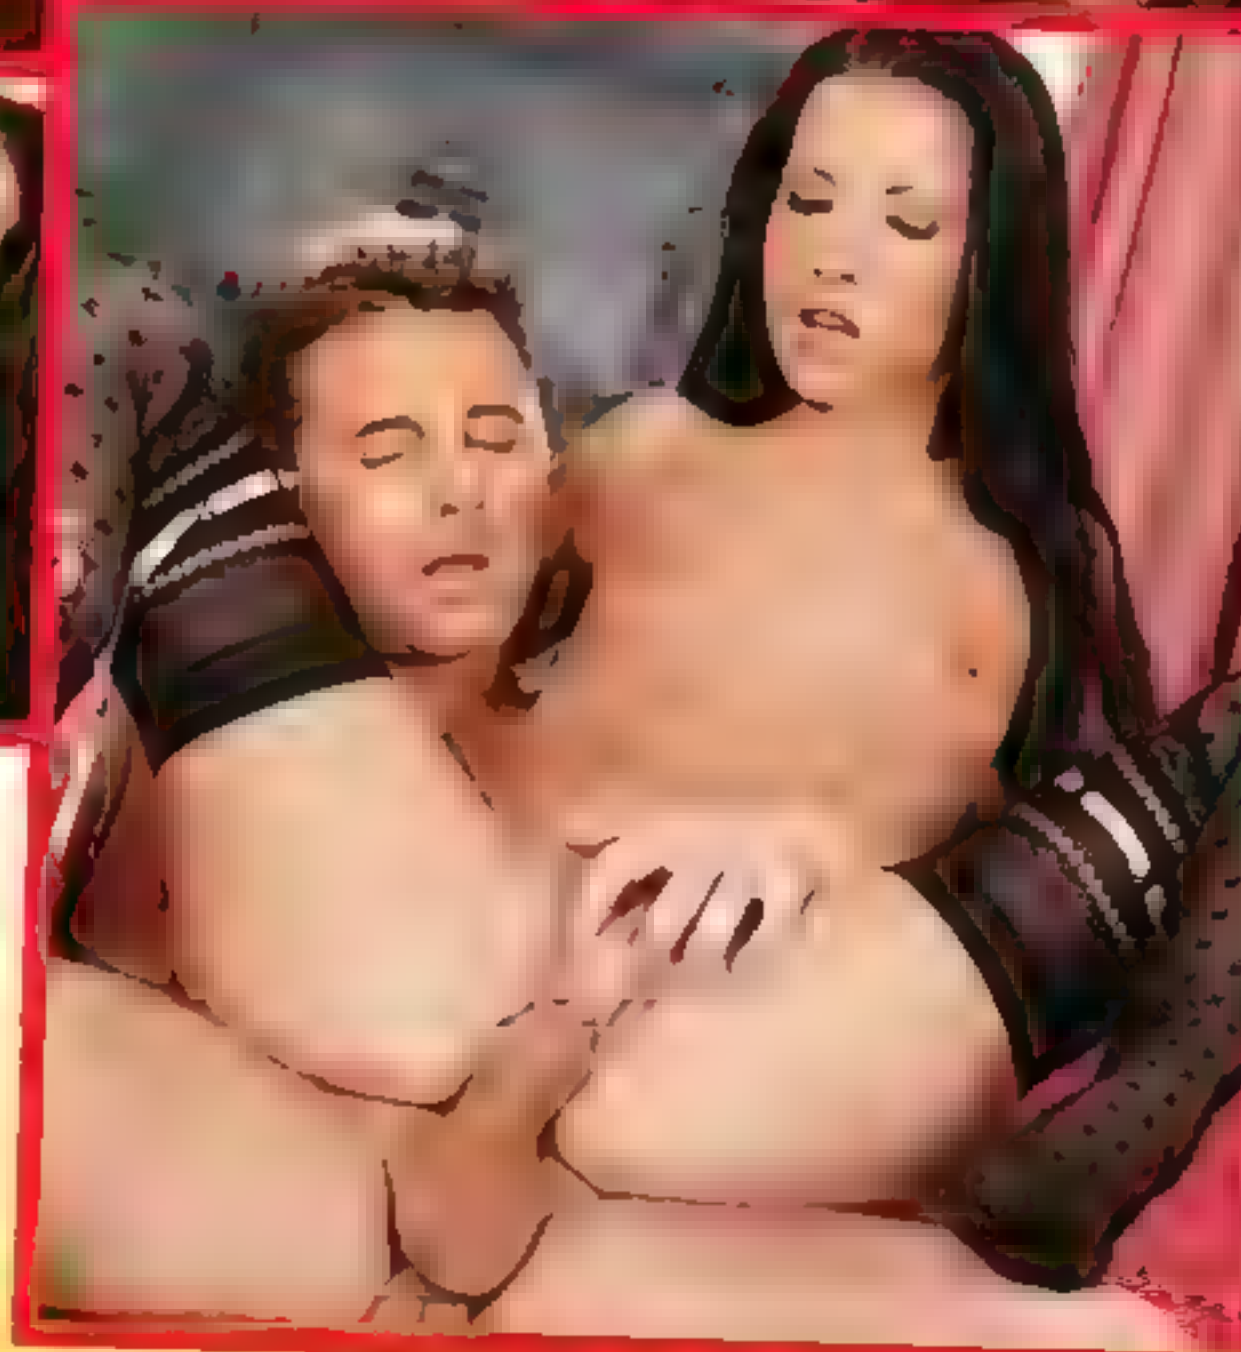

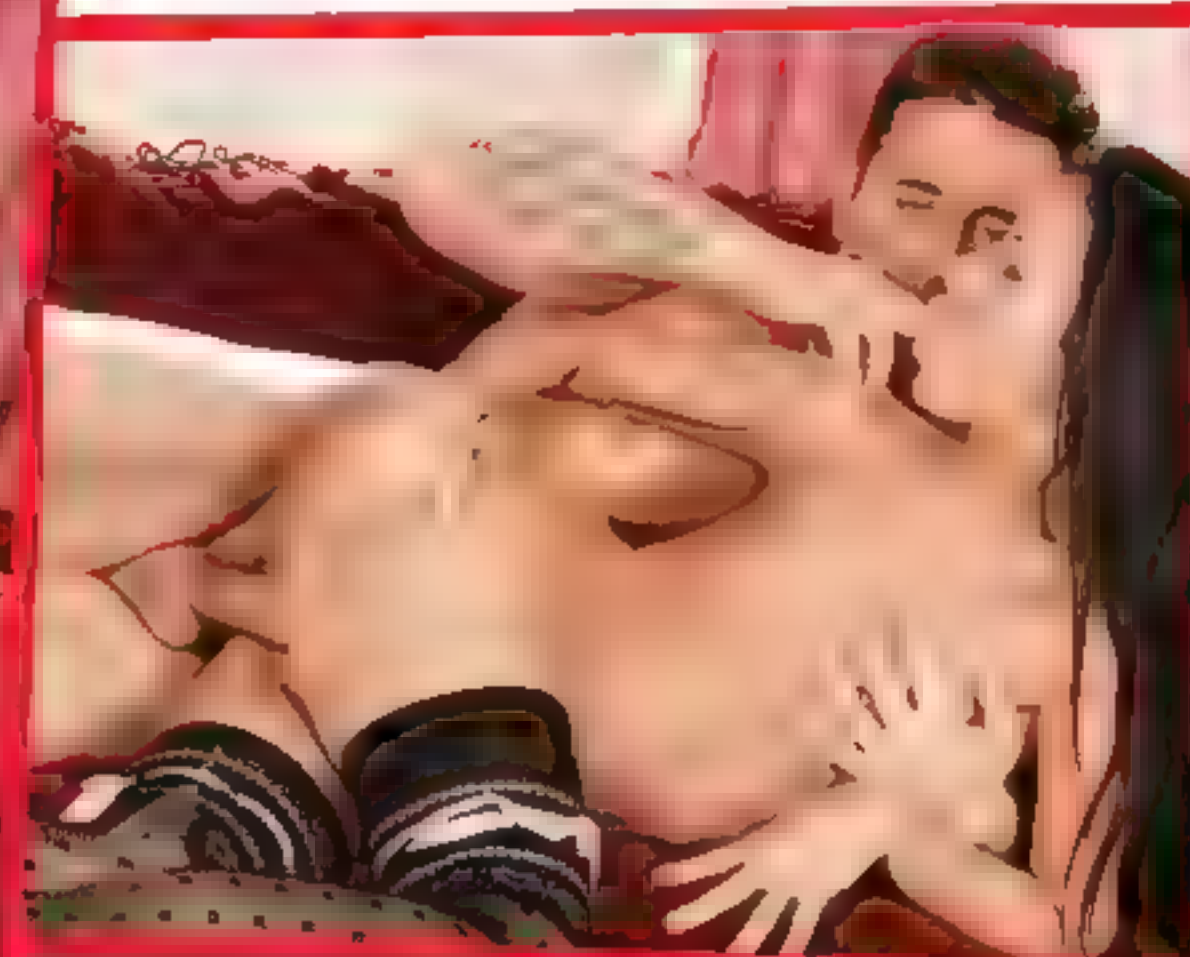

Money's tight, so my boyfriend Danny threw a real cheap bachelor party for his best buddy. Cheap booze, cheap porno movies and two of the cheapest sluts I've had and my girlfriend Suzi as strippers. We'd never done so much as an amateur night before, but we're a couple of wild chicks.

We started out in lingerie, me in black,

Suzi in pure white – yeah, like she looked innocent with her tits spilling out of her bra and tight thong-panties pulling in between her ass cheeks.

We just served beers, getting the guys even more excited than the cumshots they were watching on screen. Then it was showtime.

No announcement, no ceremony – we just put on some music and walked into the center of the floor, Suzi freeing her huge boobs. I grabbed a cold brew from one of the guys and poured it all over them – tits and beer, what more could a guy ask for? Then I licked and sucked it off of her nipples, before following the stream down.

Her panties were soaked, and not just with beer. I yanked them off, throwing them to the groom-to-be, then used my thumbs to part her pussy lips, letting the guys see her pink insides.

She'd shaved her cunt specially for the night, so a little licking got her very sloppy. I let her juices soak in my mouth, then made out with the groom, letting him share the treat. Then it was back to Suzi, this time with me sitting on her face.

We ground and leaped away, my wet

**She unzipped his pants, then sucked his entire cock inside of her mouth. I almost thought his balls would disappear too...**

snatch grinding on my gal's mouth as my tongue burrowed in her hole. Then the groom asked was it a private party?

Suzi took the hint, crawling out from under me and over to him. She unzipped his pants, then sucked his entire cock inside of her mouth – I almost thought his balls would disappear too.

As she gobbled him, I ate her ass and pussy, then Danny came in behind me and started feeling up my snatch. He beckoned to one of the guys – the geeky brother of one of his buds – and told him to have fun.

It wasn't the hottest fuck I've had in my life, but any cock inside my pussy was good right then. He popped pretty quick but another guy was lined up to take over.

This one fucked me hard, but I didn't miss a beat – just kept eating Suzi as she sucked dick. The groom was playing with her tits, making her squeal with pleasure, and soon I felt her cum around my tongue.

Now she was sucking the groom, who asked her to turn over. I bowed my head to keep on eating her, thrusting my ass back against the crotch behind it. It took me by surprise when I felt the guy ciew at my butt cheeks, gripping tight as he spunked too.

I'm not even sure who took over – another quick cummer. Danny moved in next but didn't fuck me – he got me to rub my cunt all over Suzi's body, tits, crotch and belly until she was shak with cum.

The groom exploded over me, his hot load hitting my tits, then I slid down to I was cunt-to-cunt with Suzi. We writhed on each other, while shy guy still capable joined in a circle jerk above us.

It was like a never-ending shower of jizz – one guy would depart, then one of his buddies would follow, till every ballbag was emptied. "More beer," I demanded, and shook it up champagne style,

squirting it over us to fizz up as it hit our spunk-drenched skin.

Now Suzi moaned that she hadn't gotten a dick in her cunt yet. There were soon plenty of volunteers and of course she picked the biggest hunk of meat on display, a real thick prick.

With everyone else distracted, I dragged the groom off into the bedroom. Danny had told me his bud always had the hots for me, so I gave him the works. He'd already gotten sucked by Suzi, but he wanted to eat my cunt so I blew him too. Then I got on him reverse cowgirl, wetting his prick with a couple dozen strokes in my cunt before taking it in my ass as a finale. When he came, he pulled out and blew his spunk all over my butt cheeks and crack so he could watch me rub it in.

When the party wound down, Suzi bunked with him to give him his final bachelor screw. Meanwhile Danny owed me big time for entertaining his friends – a charge of three orgasms. All paid with interest and tips before sun-up.

## BI ADVENTURE

I know it's quite cool these days for girls to claim to be bisexual. Well, that is until you actually get one of them home and discover they couldn't find their way around your pussy if equipped with a headlight, a compass and a map! I'm a true bisexual babe, loving girls and guys

equally, which means I frequently find myself in interesting situations.

Tired of all the familiar names stored in my cell phone, I decided to take an ad out in the local newspaper in search of hot new pussy and cock. It read, 'Bi-curious babe in search of a fun time.' It didn't take long until my inbox was practically bursting at the seams with hot sluts and hard studs ready to play with me.

I sifted through carefully, selecting a petite but spunky Asian chick named Kim, a lusty Latina bombshell calling herself Mana, an insanely fierce redhead named Ruth and a guy with the thickest ten-inch cock imaginable.

The game was set. One by one they arrived at my house. There I was naked and blindfolded on my bed with scattered sex toys all around and a note taped to my ass that said, 'No holes barred.' I heard the door open and the clicking of high heeled shoes against the marble floors. I knew it was a female but couldn't be sure until I felt her warm tongue shove up my ass and a soft sigh escape her lips, "Delicious."

She continued to rim my asshole with her tongue and ran her perky tits over the curve of my butt cheeks. When she spun around to give me a sample of her lips, her mouth tasted tangy and salty. It was Kim, the hot Asian. As I sunk my hands into her long silky hair I felt another warm body glide underneath mine. This chick ran her pearly nipple points against mine and bucked up to connect our beavers

together. "Que rico," she purred, instantly causing my pussy to gush with liquid. My Latina lovely Mana had arrived!

So there I was sucking face with Kim and grinding cunts with Mana. As our pussy milking got more intense I felt the thrill of a hot tongue lapping up my sex drippings,

**I heard the sound of a belt being fastened around her waist and the probing sensation of a plastic strap-on cock in my butthole...**

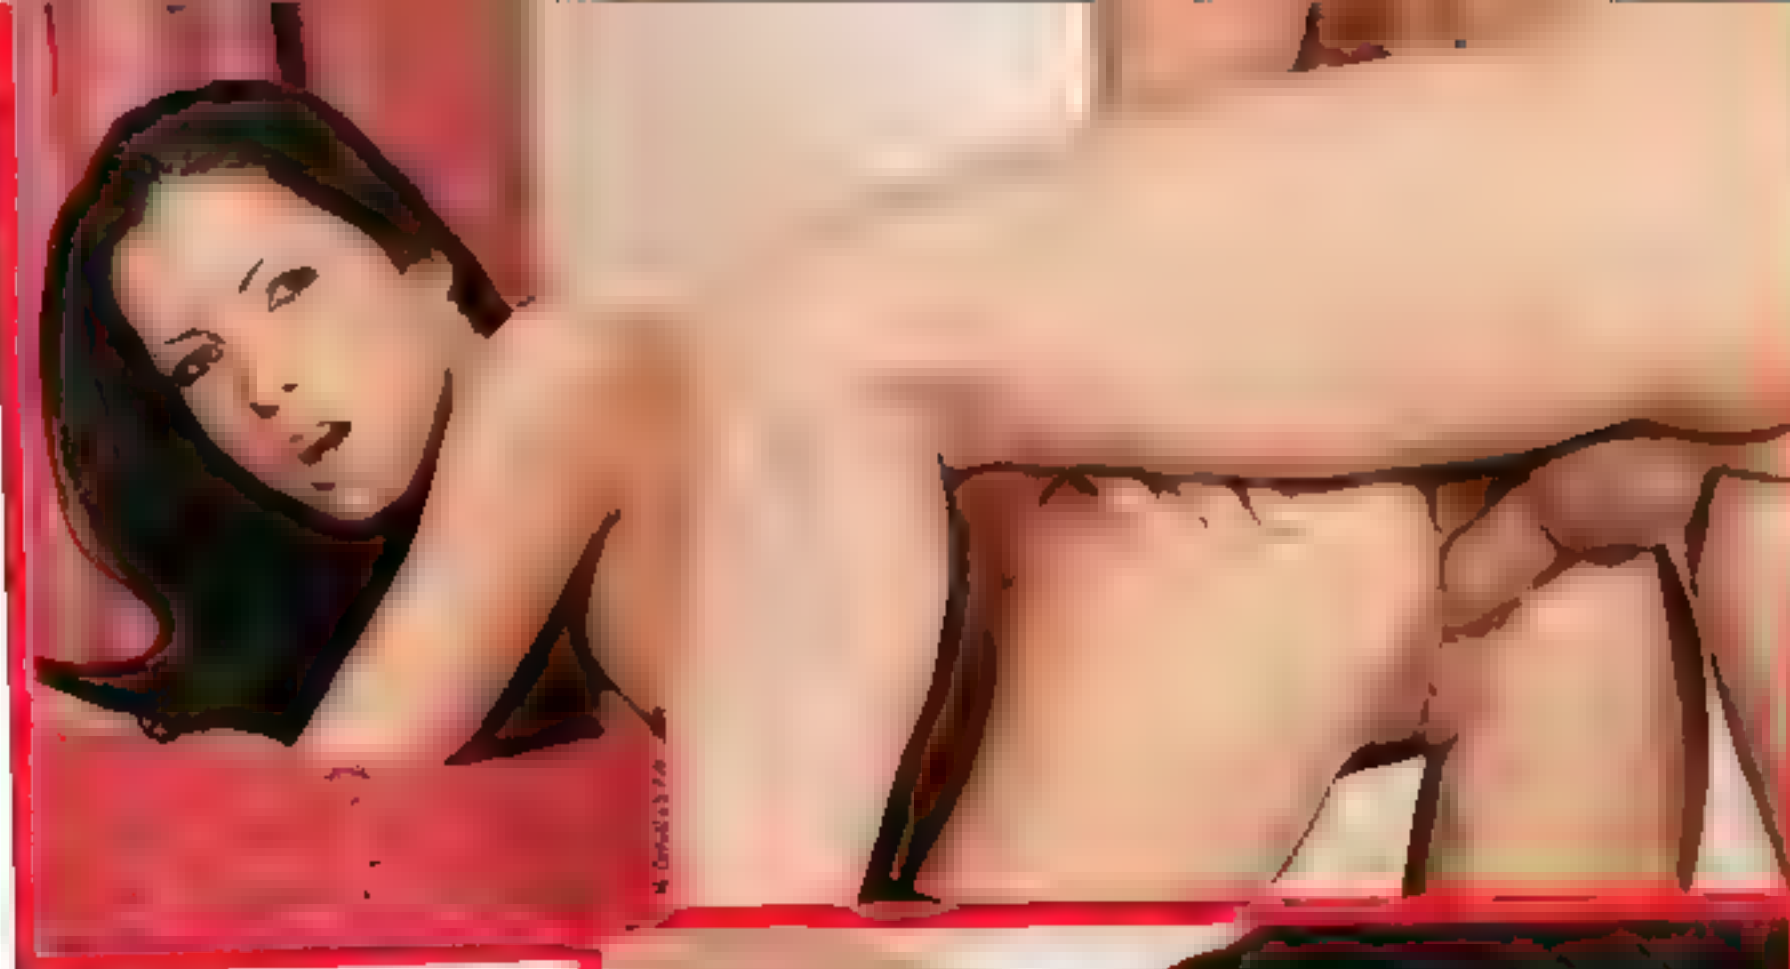

followed by a finger up my ass. Since the finger felt slender I assumed it was Ruth, my top-notch redhead. I became certain of this when I heard the sound of a belt being fastened around her waist and the probing sensation of a plastic strap-on cock sliding through my butthole like a hot knife through butter.

"Take my fat cock, you kinky bitch," she moaned, fucking me hard, eventually switching out to give Mana's pussy a try out as well.

"Oh yeah!" I heard a male voice say approvingly. It was Jim, our cock du jour, sticking his joint into Ruth's bush in doggie as she continued to wedge her faux cock into me.

"Gimme some of that," I pleaded, wanting desperately to feel a teen inches of Jim up my ass. He gave it to me good, stuffing my rump until I yelped, as Ruth strummed his base.

Now Jim lined all of us up in doggie position. He popped his cock in and out of us at will, then moved around to our mouths to get his cock licked clean.

**Jim lined all of us in doggie position. He popped his cock in and out of us at will, then moved around to our mouths...**

He flipped us over into missionary, intertwining our legs like a pretzel to get our holes from an entirely new angle.

With Ruth's mock-cock still attached and her pussy hole bare, she guided underneath me and plugged my pussy while Jim stayed steady on my ass. Mona shoved her tits in my face to muffle my moans while Kim chose to suck Jim's balls from behind. Wanting to add a little spice to the mix I took Jim's lead and lined my snatch up in front of me, sucking each slit and pleasuring their cunts with a vibrating wand until my mouth overflowed with giriquah. After everyone had an orgasmic release I gave all my attention to Jim. I jumped on top of him in cowgirl and gave him the ride of his life until my pussy dribbled with his hot cum. Mission accomplished!

# HOW TO BE A STUD!

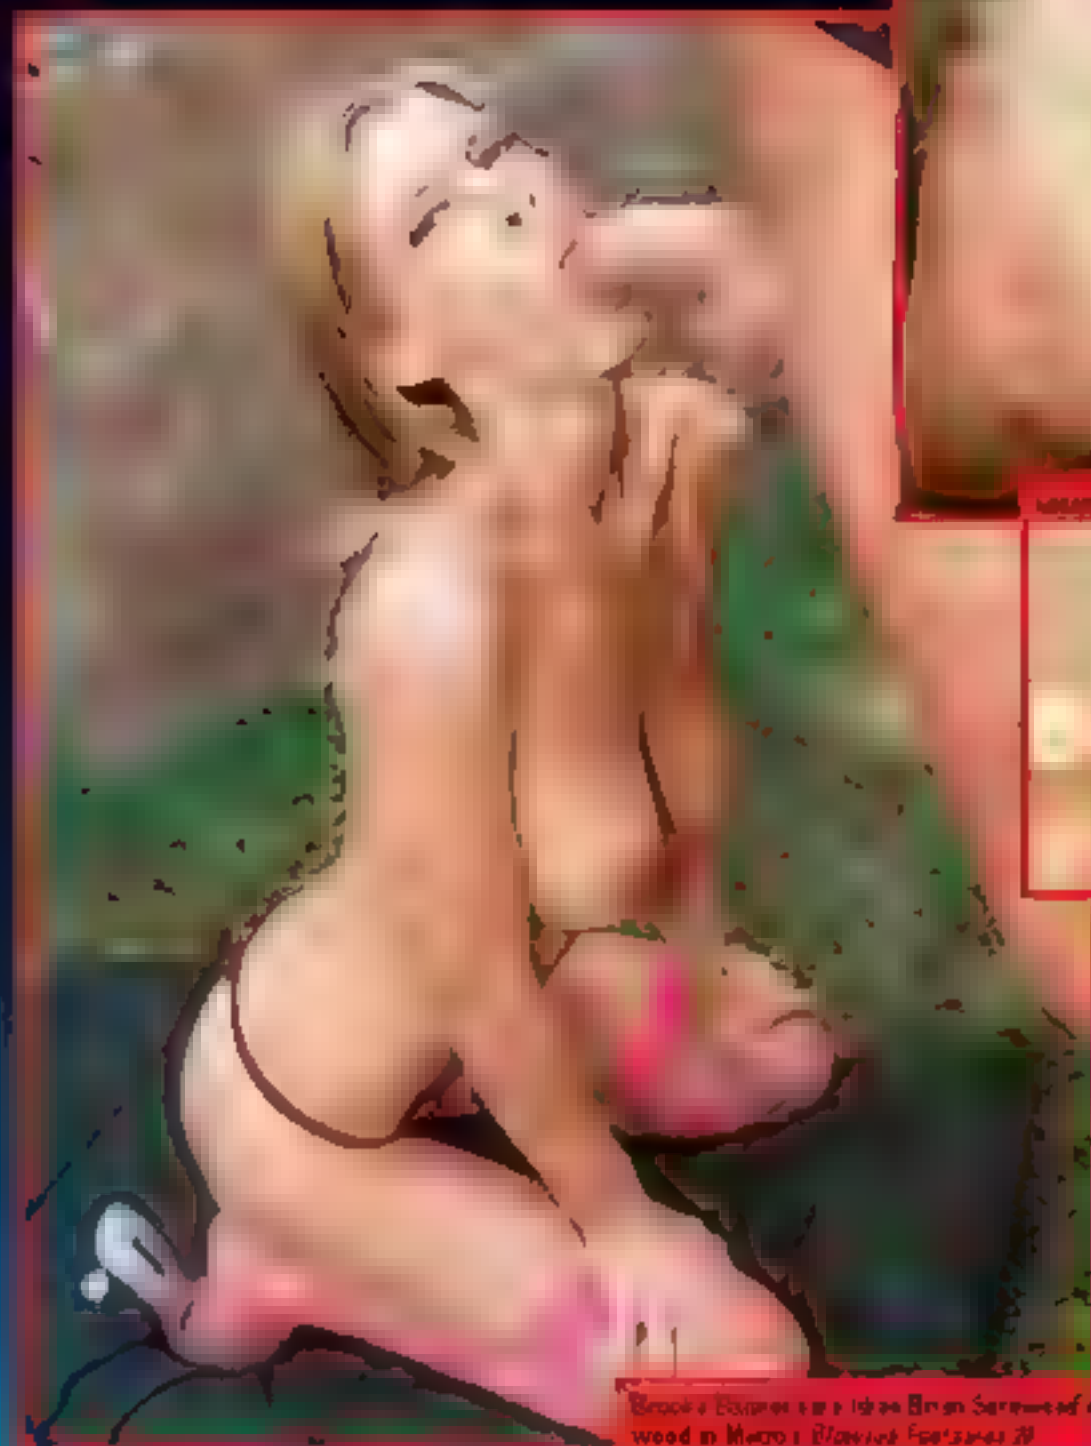

## PART 7: GETTIN' BETTER HEAD!

A lot of men think that how good or bad a blowjob feels is down entirely to the girl giving it. Well, that might be true for a lot of guys, but real studs know that if you're getting a bad dose of

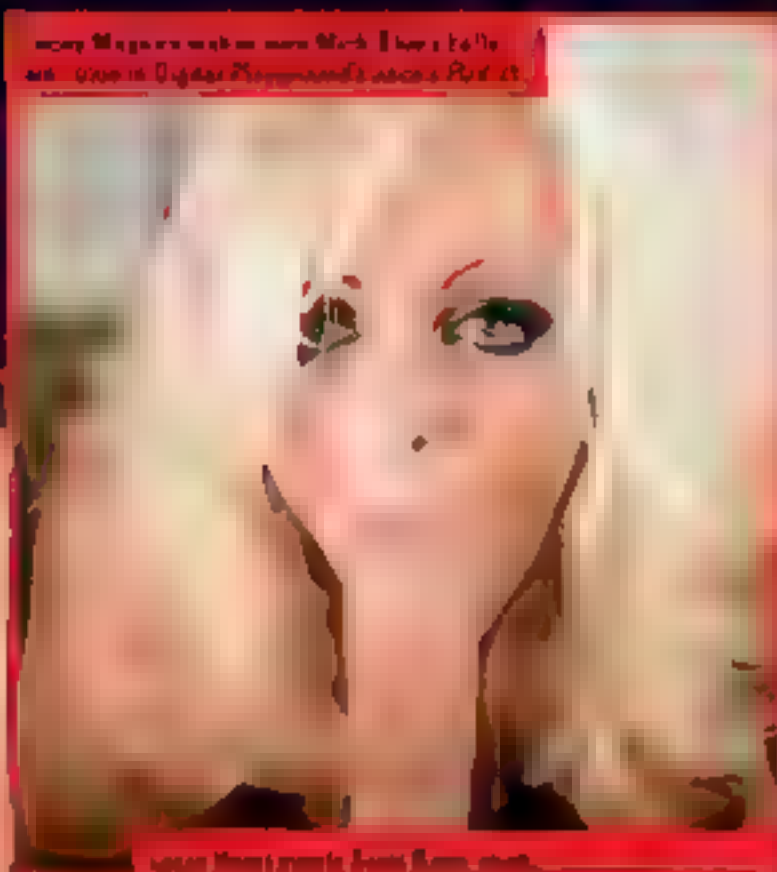

brains, the right thing to do is give some advice. Let's call it Blowjob 101. And, hey, it's not entirely selfish - girls dig getting head, and want to do exactly what's right for you. So tell 'em.

### 1: LOSE THE WOODPECKER

Many guys make the mistake of thinking that the only way to get a good blowjob is to keep going and going and going. But that's not always the best idea. Sometimes, a little bit of variety is all you need. And that's where the woodpecker comes in. The woodpecker is a technique that involves using your mouth to create a rhythmic, pulsing sound. It's a bit like a woodpecker tapping on a tree. And it's a great way to get a girl's attention. So, when you're getting a blowjob, try to create that rhythmic sound. It's a sure way to get a girl's head on a stud!

# MY SEX LIFE!

## "WATCHED WHILE I GOT A DOUBLE STUFFING!"

My fuck-buddy often teased me about wanting to watch me have a threesome, but I'm sure he never thought I'd dare go through with it. I turned the tables on him and secretly set something up with a couple of guys I knew.

My friend had no clue what was going on when I went over to his place and got him horny with a lap-dance. He let me tie him to a chair. I told him it was so he wouldn't be tempted to touch me as I gave him a special dance.

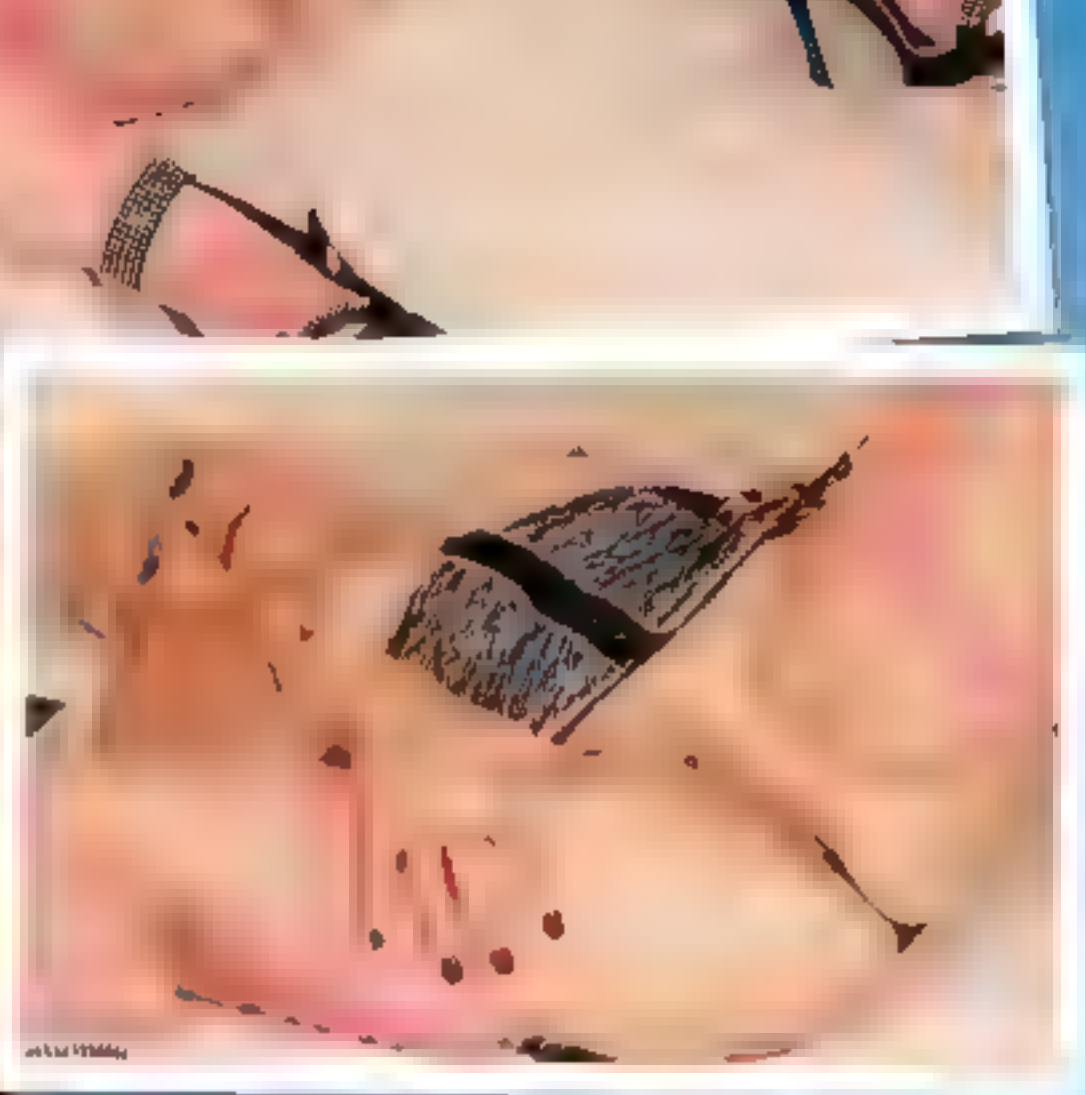

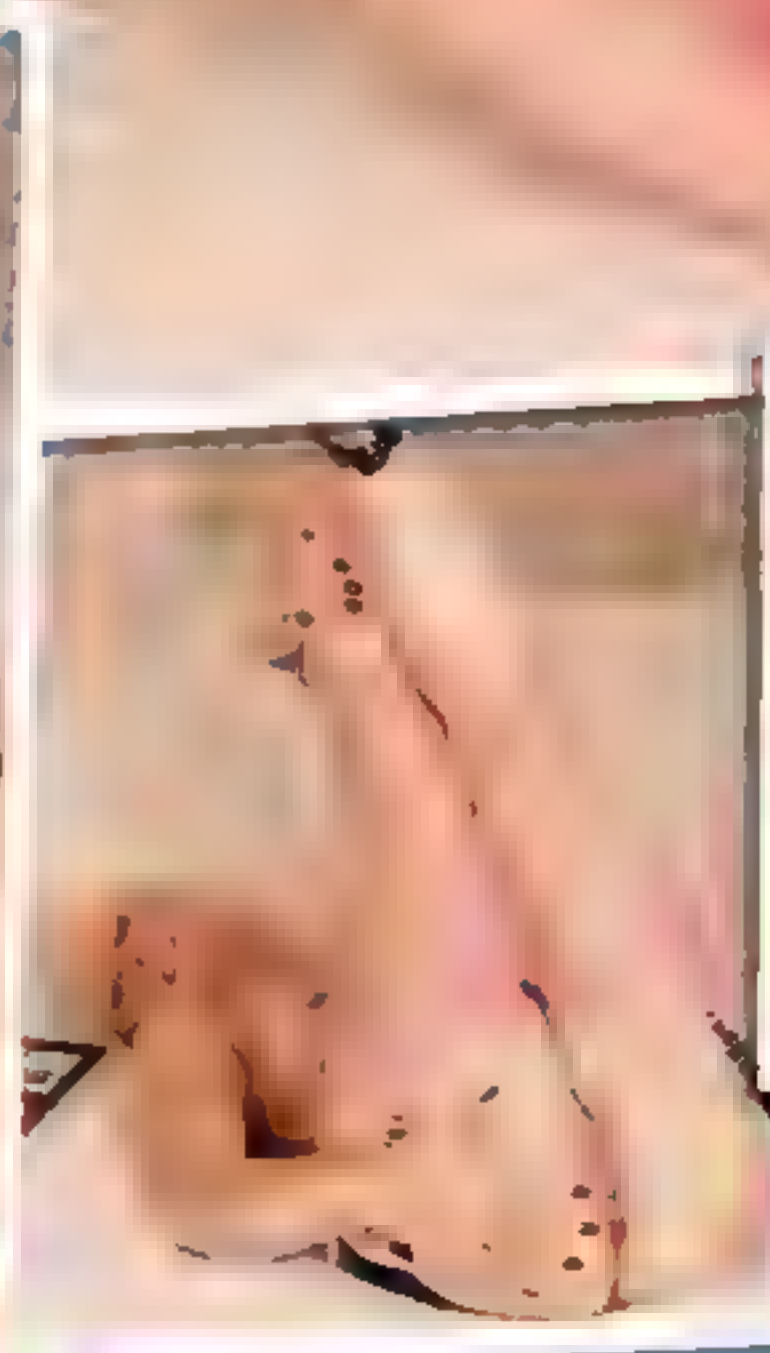

Then I texted my willing accomplices and told them it was showtime. They were at the door in no time, and I saw the amazement on my friend's face as they came in and settled on the couch beside me, paying him no attention at all.

The taller guy nuzzled my neck and ran his hands over my breasts. The other one spread my legs apart and ran his hand up the inside of my thigh, stroking my wet clatch.

Soon I had fingers penetrating me and teasing my clit. I reached for each clatch, slid down their zippers and took hold of a hard cock in each hand.

My friend was wild with his own excitement, and totally powerless as I went down on the taller guy. As his throbbing cock met the back of my throat, I felt the other guy pull my wet panties down and begin to lick my cunt.

He teased me skillfully with his tongue as he plunged three fingers inside me.

**I was careful to keep the hard cock in my mouth as I stuck my ass in the air ready for the second one.**

I could feel the cock in my mouth was ready to explode, but I wanted my friend to see this guy spray his sticky load all over me. I bent over the sofa, careful to keep the hard cock in my mouth as I stuck my ass in the air ready for the

second cock to pound into me from behind. I saw the wild look in my friend's eyes as he watched me enjoy the hands all over my body and the two big dicks so hard and ready to cum for me. I was close to cumming

myself, and the sensation of being stuffed with cock at both ends pushed me over the edge into a climax. As I came, the big cock in my mouth erupted and spunk spilled down my throat. A few moments later, jets of hot jazz

from the other cock sprayed all over my ass cheeks. By the time I finally sat my friend free he was at bursting point, and soon added to the excess of cum I had already consumed! "Big Boned" North Dakota

## CUM-BLAST FROM THE PAST!

Titanic-titted Serrah made regular appearances in *Confidential* several years ago, before her gargantuan pezzos disappeared off our radar. We're delighted to find her still looking so swell!

"My boobs are a whopping 34JJ," the 39-year-old cougar who now lives in Florida tells us. "I love having them sucked and manhandled... also love oral... and lesbian sex, but my favorite thing is wrapping these babies around a big meaty cock!" ★

nd des 19. Jh. sp. Thomas ...

Every guy likes a girl who watches porno, but chicks usually keep that habit pretty secret. Not Candy – she indulges her love of fine porn like *Club* without shame, kicking back to read her latest issue and play with her pussy. Whenever James catches her reading or watching a hardcore movie, he knows she'll be in the mood for some dick.

Turns out he's right again, and she puts down her mag to cram as much of his hard cock into her mouth as she can, her fingers still dipping into her sodden cunt as he fucks her mouth. When James gets around to fucking her, he makes sure to throw in a few of those porno positions she loves so much, tapping her twat from every angle and giving her lots of tastes of her own pussy on his dick. Of course, what Candy likes most about porn is the cumshot... ●
